# Imogen takes a dip!

Come on in, the water's lovely!

**A**s rugged and beautiful as Wales may be, if you're a famous and beautiful honey with a yearning to chill out in bikinis and sip cocktails by the pool, it's hardly going to be your first choice of destination for a sun-soaked holiday.

So it's understandable that the lovely Imogen Thomas, formerly a winner of Miss Wales, opted against the land of her fathers and instead hopped on a plane to Los Angeles to cram into a snug-fitting bikini and hit the pool for these exclusive snaps. So, gents, feast your eyes on the kind of valley any red-blooded Welshman would gladly get lost in for a few days.

WORDS: RORY BUCKERIDGE PHOTOS: SOLARPIX.COM

"That bloody Tippex has gone everywhere!"

**STUNNING!**

**WHAT A PAIR!**

She took her javelin everywhere

"Who needs  
armbands?"

**WELSH WONDER!**

After counting  
1.5 million votes,  
we reveal the UK's  
favourite babes...

AS VOTED  
BY YOU!

**SARAH BYRNE**

*Shameless* star

Sarah's scenes were so rude, she banned her brother from watching the programme!

**JENNY LAIRD**

Judging by this pic, Jenny has dodgy taste in wallpaper. But there are two reasons why we forgive her.

**DARCY PALMER**

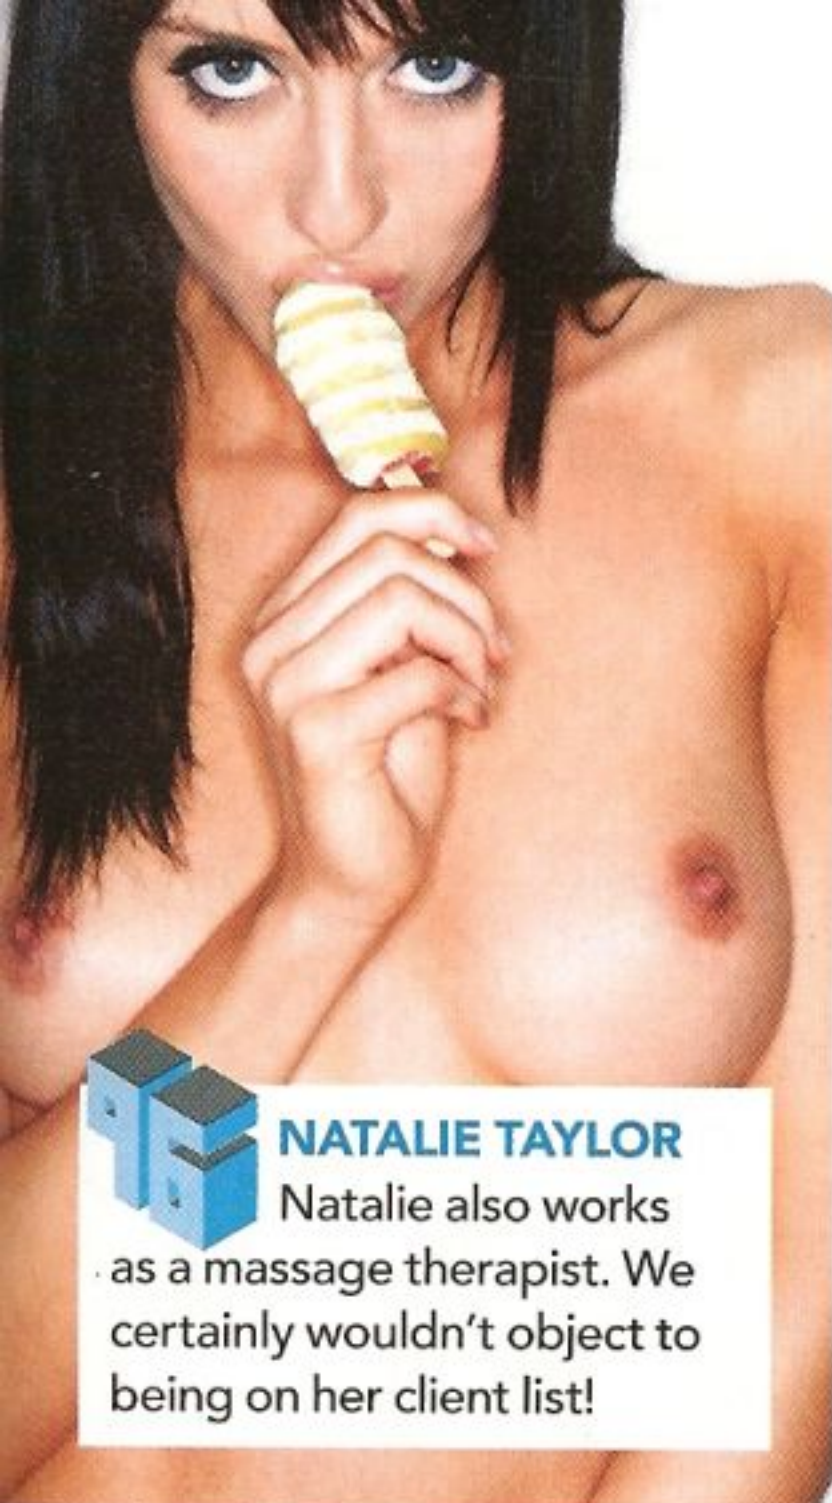

Lovely Darcy is one we've got our eye on for the future. Here's hoping for many more shots like this!

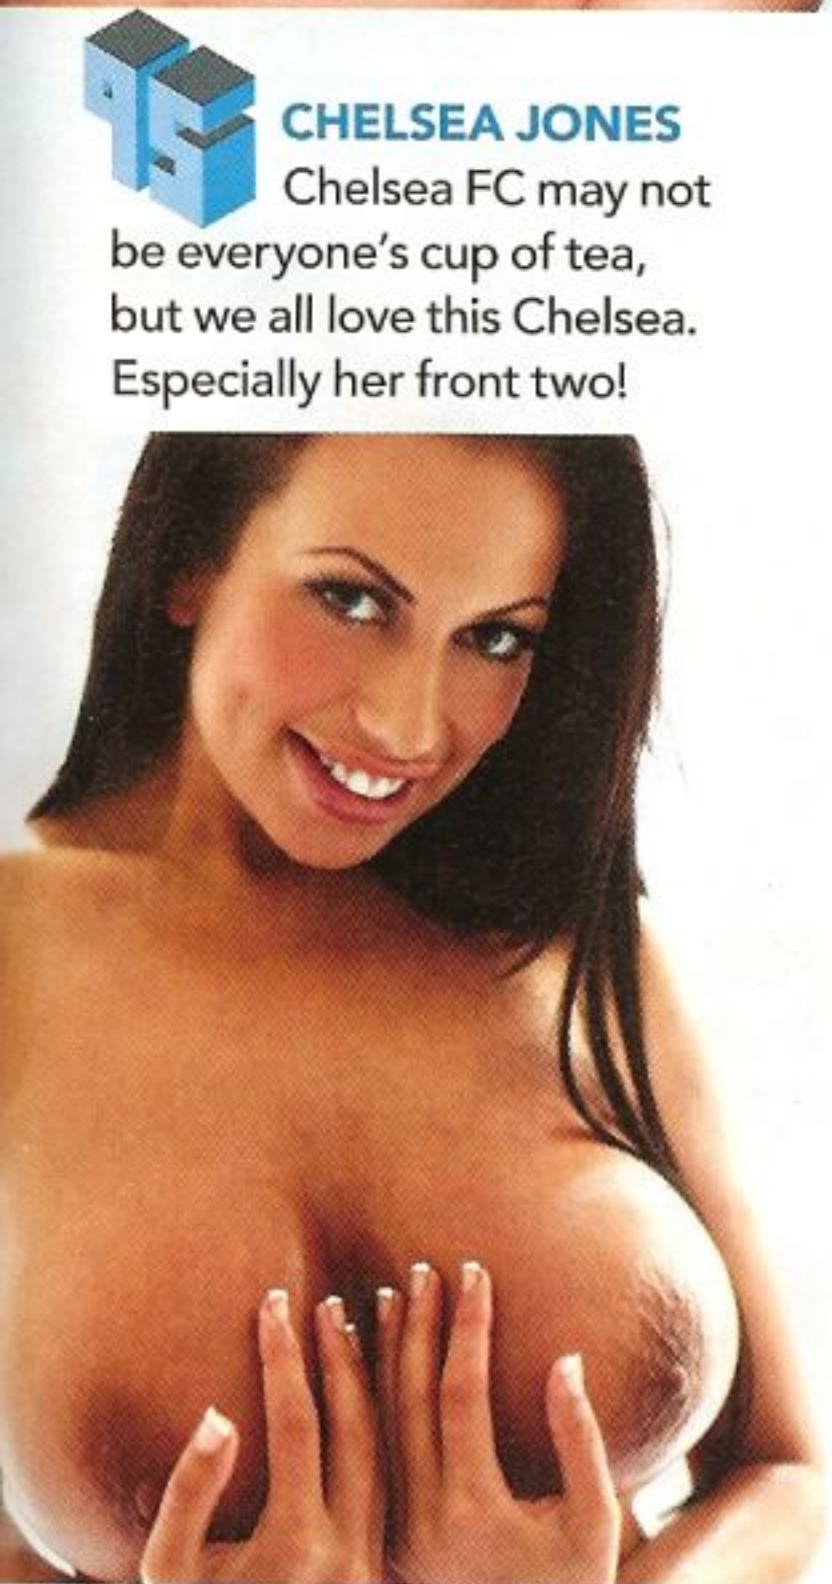

**DYLAN HARDY**

We thought Dylan was a man's name. But we've studied Dylan intently and realise we were wrong.

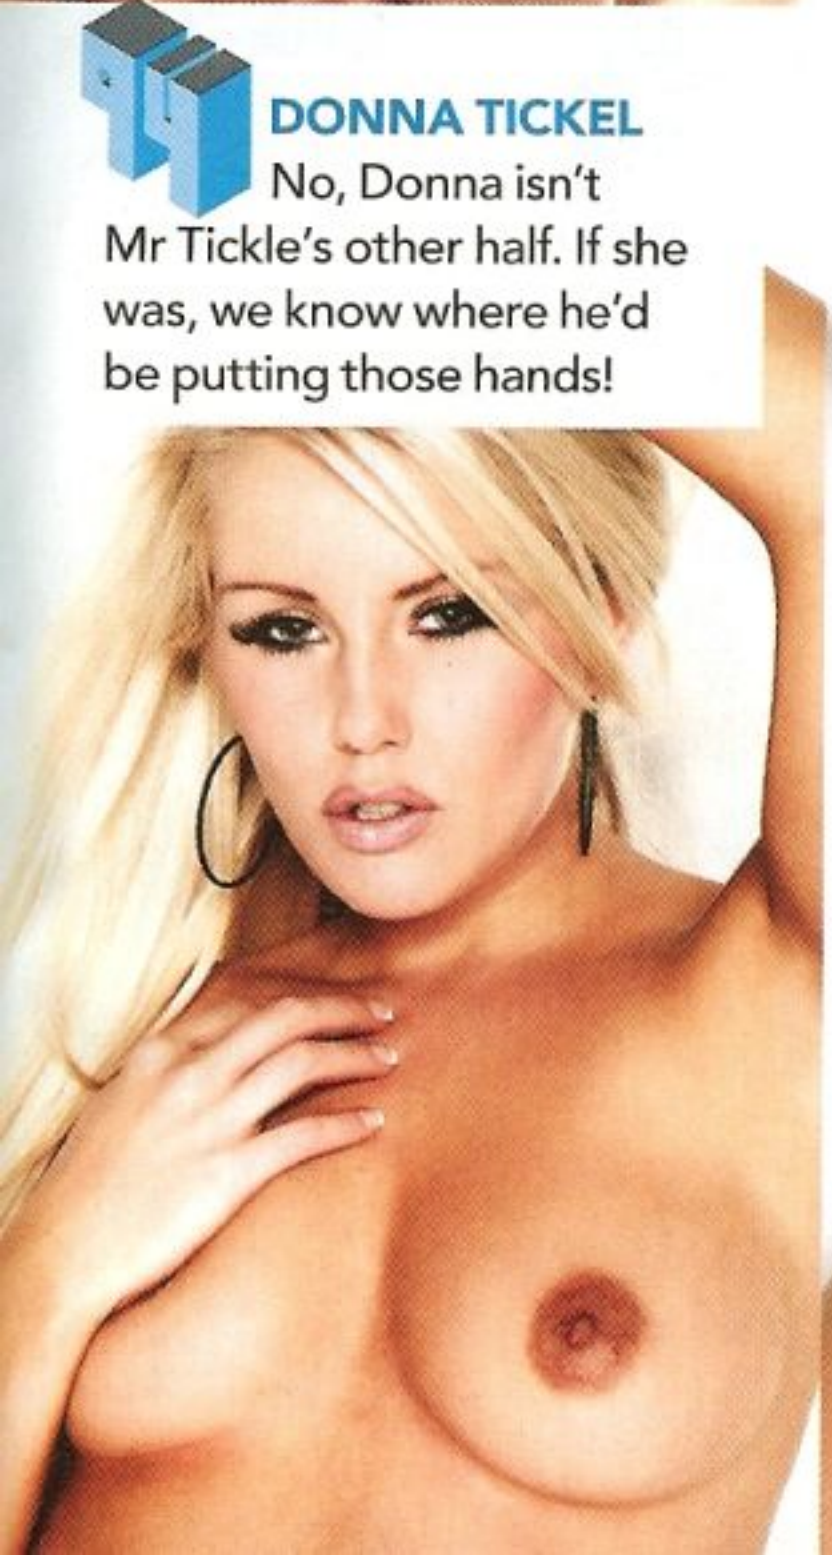

**NATALIE TAYLOR**  
Natalie also works as a massage therapist. We certainly wouldn't object to being on her client list!

**CHELSEA JONES**  
Chelsea FC may not be everyone's cup of tea, but we all love this Chelsea. Especially her front two!

**DONNA TICKEL**  
No, Donna isn't Mr Tickle's other half. If she was, we know where he'd be putting those hands!

**EM DIAMOND**  
We're big fans of "the Diamond". True to her name, she's precious, good to admire and rather twinkly! ➡

**ASHLEY WHITE**

With her huge doe eyes and hot body, Ashley has a bewitching effect. We call it "being dead fit".

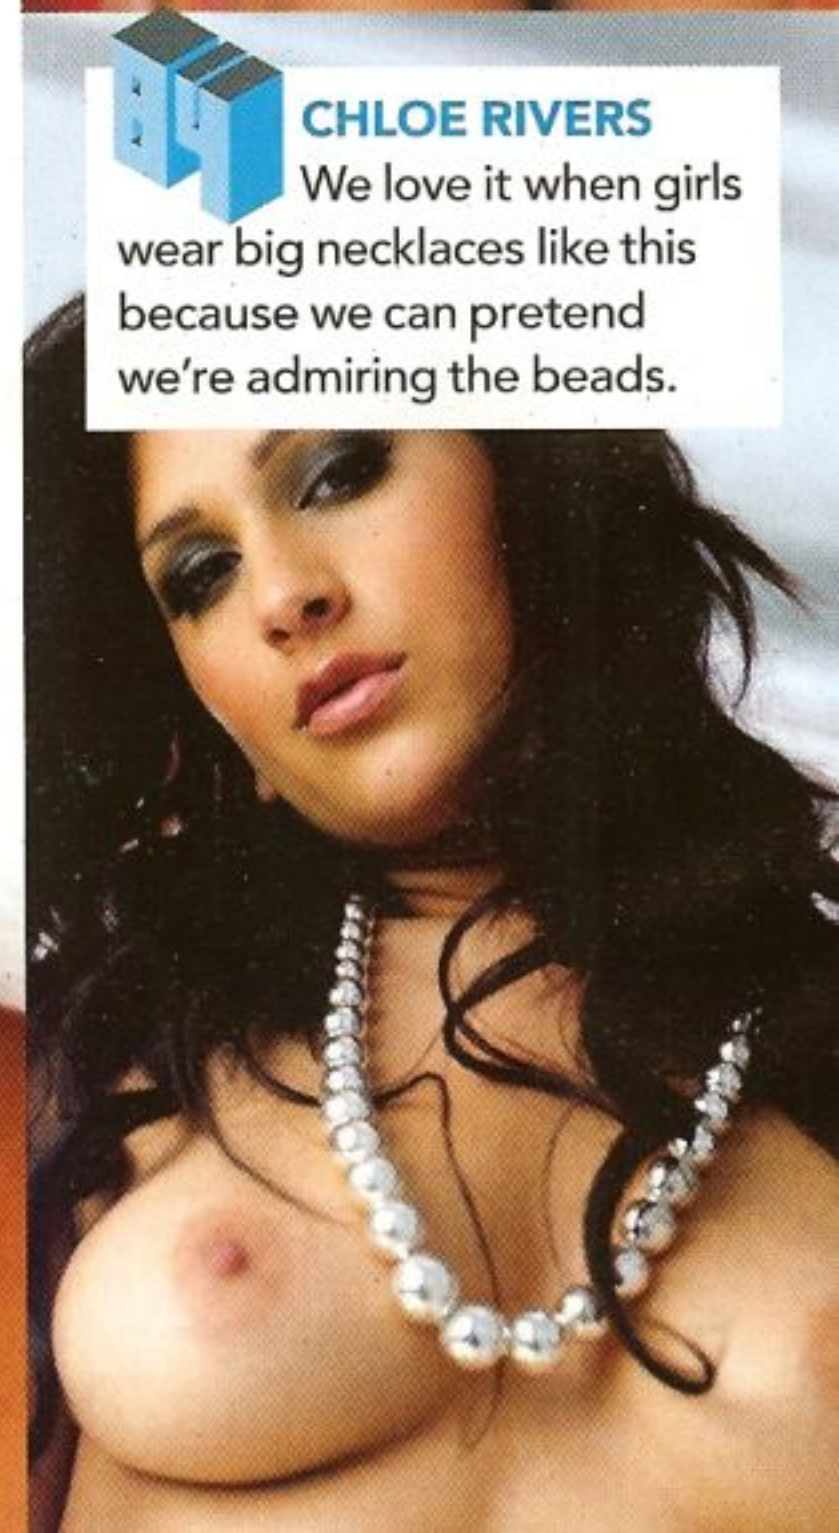

**TONI ESPOSITO**

There was an Italian musician in the '70s called Tony Esposito. He's nowhere near as pretty as this one.

**POPPY RIVERS**

Of all the ladies on this list, Poppy must have the best name. Her face and boobies aren't bad either!

**CHLOE RIVERS**

We love it when girls wear big necklaces like this because we can pretend we're admiring the beads.

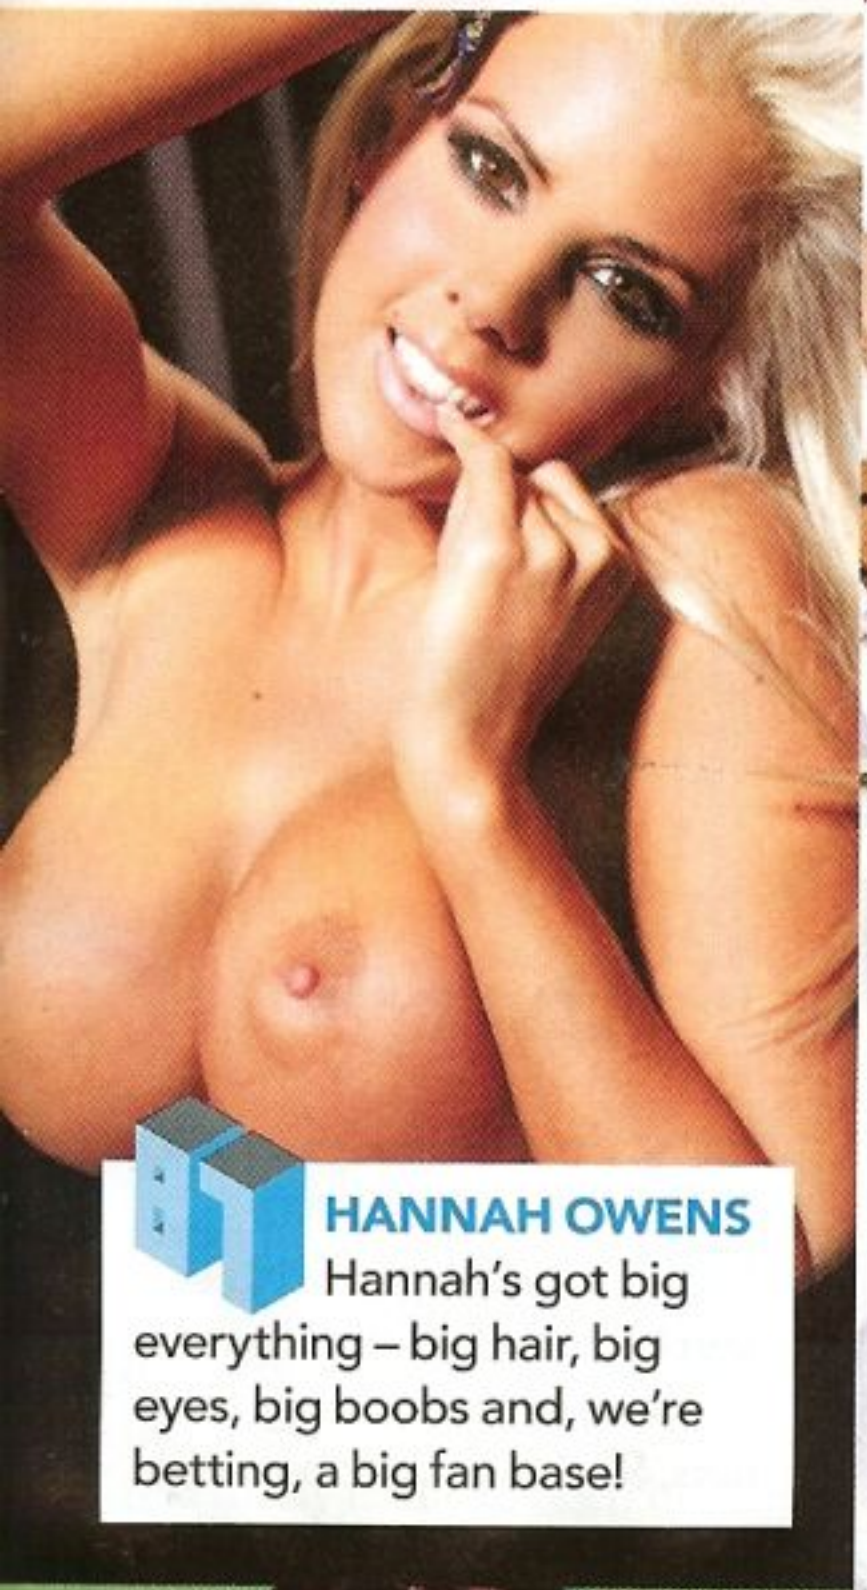

**HETTIE BUTLER**  
Hettie Butler sounds like a *Corrie* character from the '50s but... well, you can see the crucial differences.

**LEONE BENJAMIN**  
Leone loves a bit of topless sunbathing in her garden. No, we're not telling you where her garden is!

**HANNAH OWENS**  
Hannah's got big everything – big hair, big eyes, big boobs and, we're betting, a big fan base!

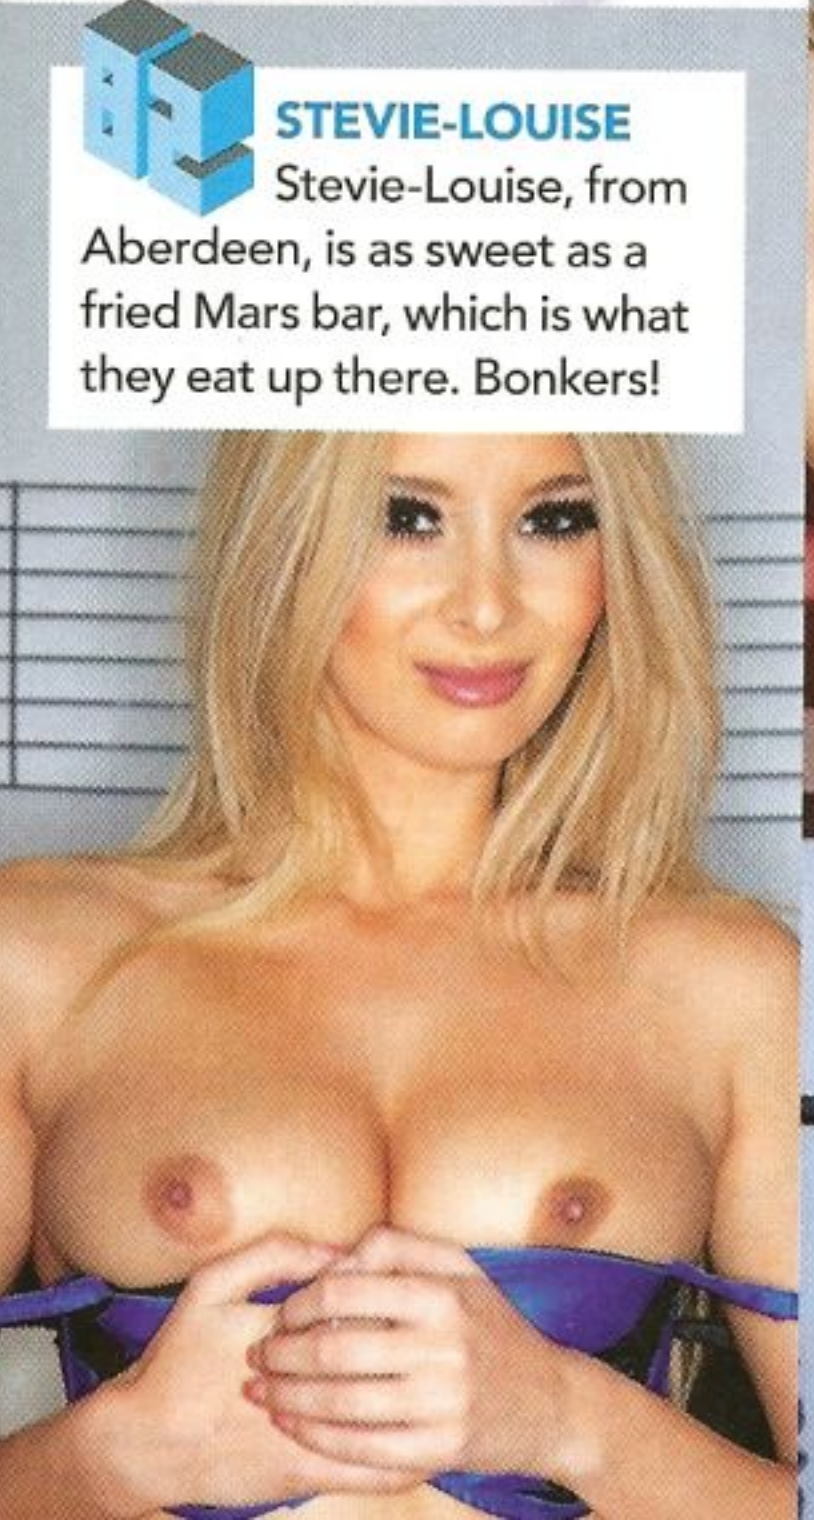

**BIANCA SLATER**  
Bianca sounds like she should be a character in *EastEnders*. Thankfully, she's rather sexier than Ian Beale.

**CHLOE SAXON**  
Chloe's the best thing to come out of Sheffield since Arctic Monkeys. She's a bit better looking, though.

**LEANNE CROWE**  
There's a saying, "as the crow flies". But Leanne would struggle to get off the ground with those boobs!

**STEVIE-LOUISE**  
Stevie-Louise, from Aberdeen, is as sweet as a fried Mars bar, which is what they eat up there. Bonkers!

**AMYL U BENNETT**  
We love telling the world that we discovered the gorgeous AmyLu, because a) we did and b) she's hot!

**SIOBHAN FISK**  
Our 2005 Real Girl Of The Year looks as hot now as she did back then. So *that's* why girls use moisturiser! ➡

**CHLOE TWEEDY**  
Nope, she's no relation to Cheryl, but she's ruddy lovely, so at least they have something in common.

**TOMMIE-JO**  
Blonde hair? Check. Big boobs? Check. Beautiful face? Check. Gents, we have ourselves a bombshell!

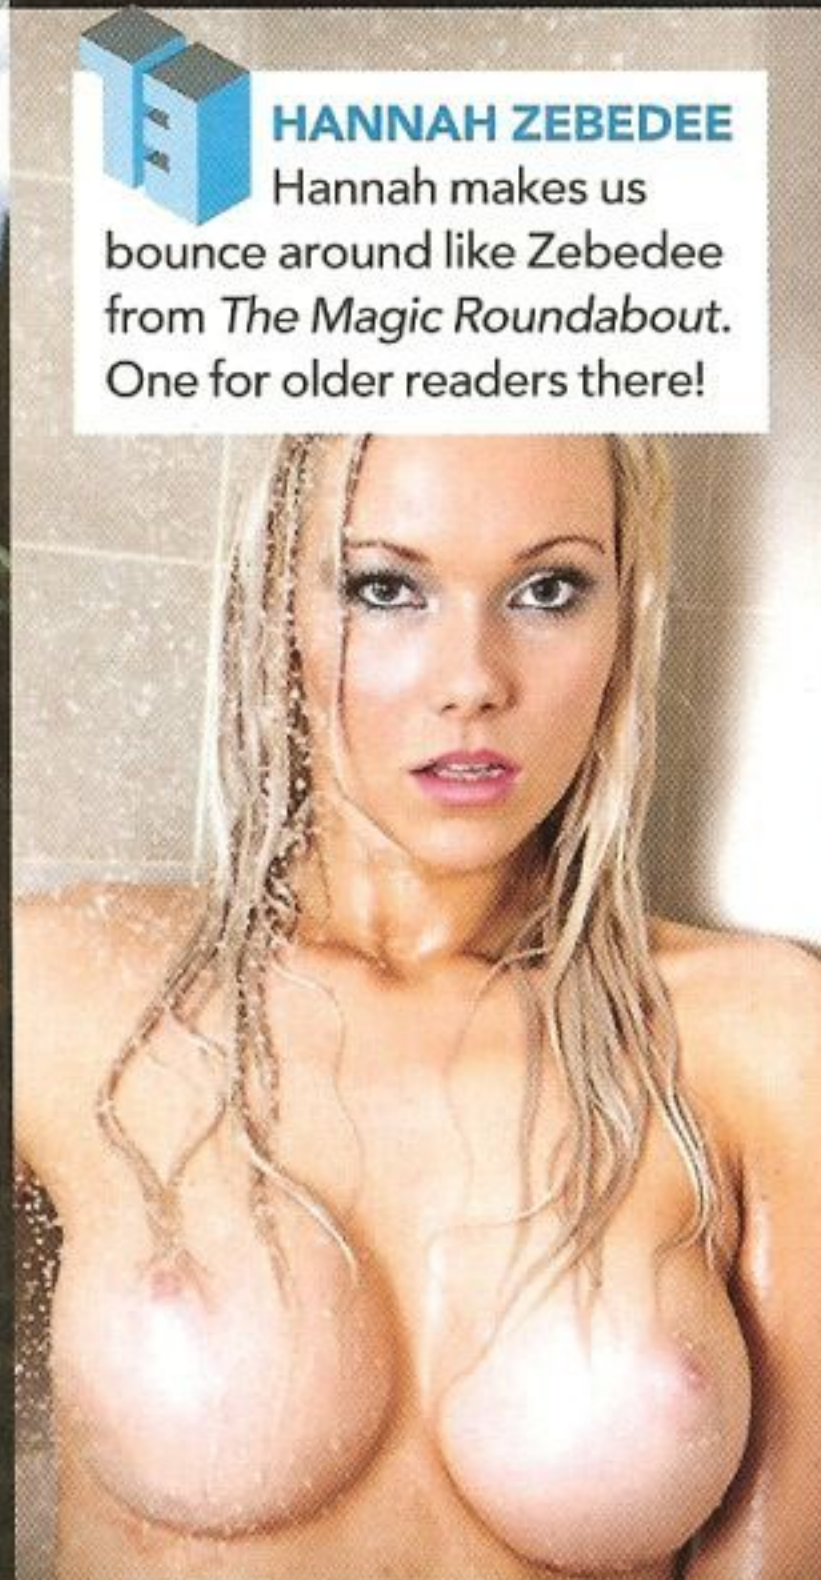

**EMMA-LOUISE**  
Emma-Louise is so sexy, she doesn't need a surname. She clearly doesn't need to wear clothes, either!

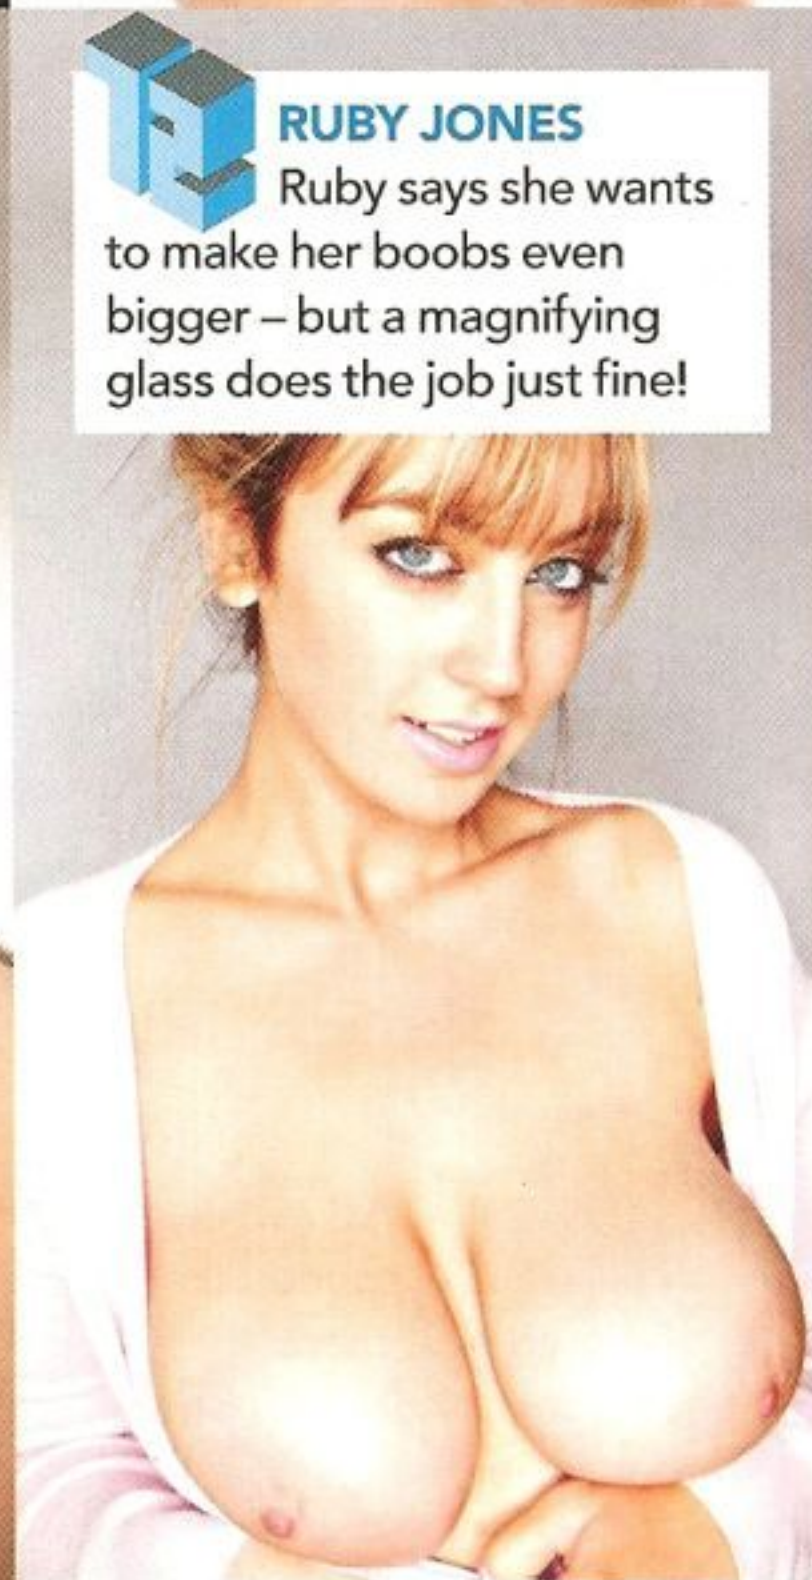

**JESSICA SPENCER**  
Since the age of 18, Jessica's ambition has been to appear topless in Nuts. Mission accomplished!

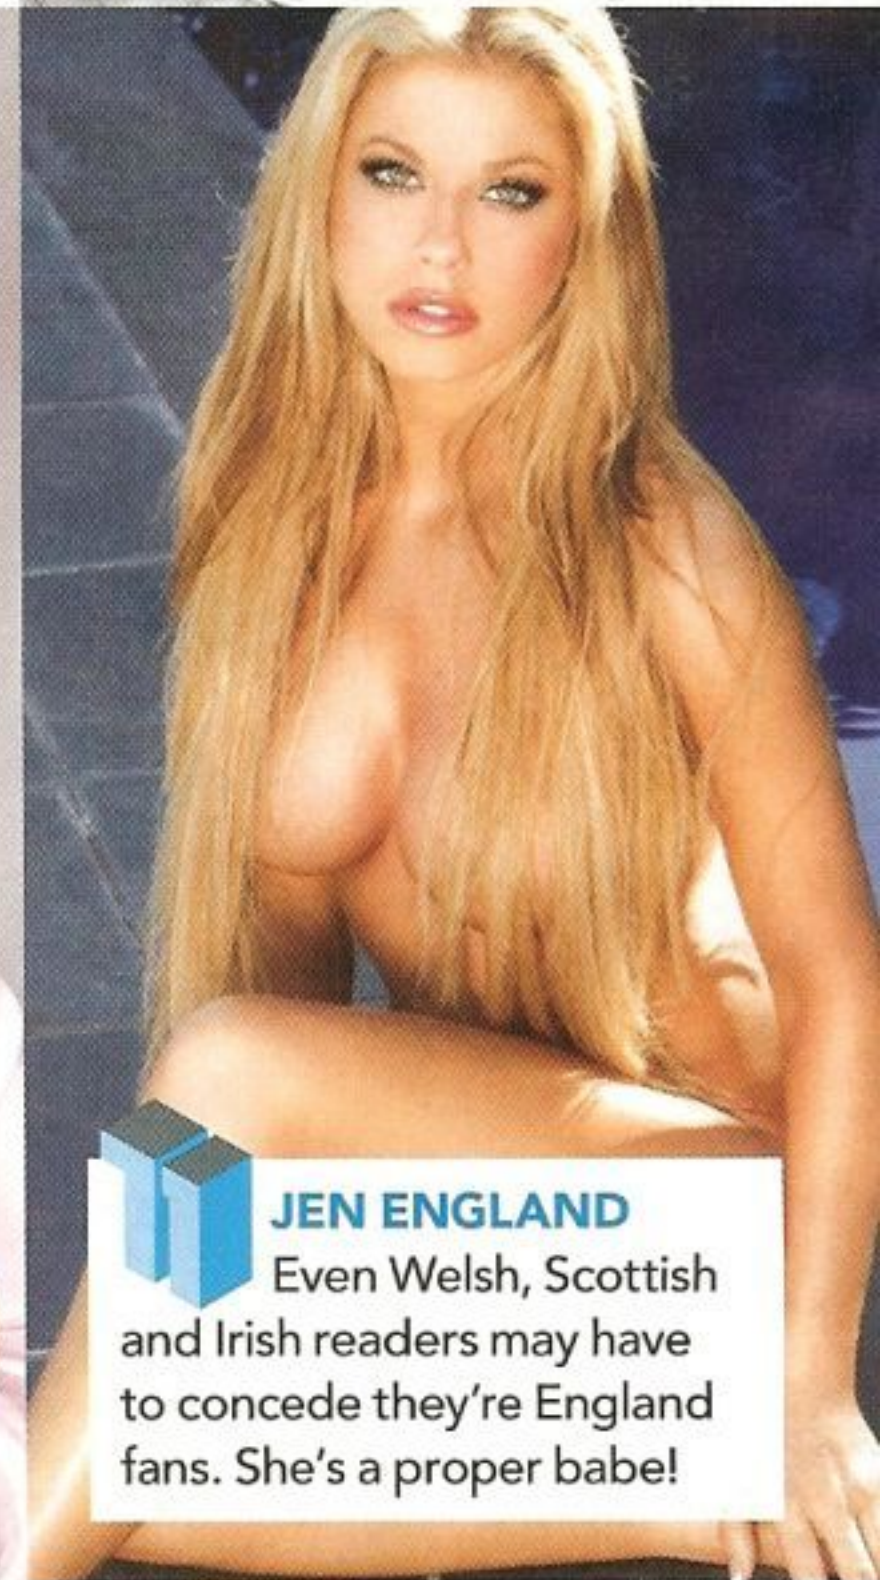

**GEORGINA DARBY**  
Here's Georgie going topless in her backyard. We bet the blokes round her way don't have curtains!

**HANNAH ZEBEDEE**  
Hannah makes us bounce around like Zebedee from *The Magic Roundabout*. One for older readers there!

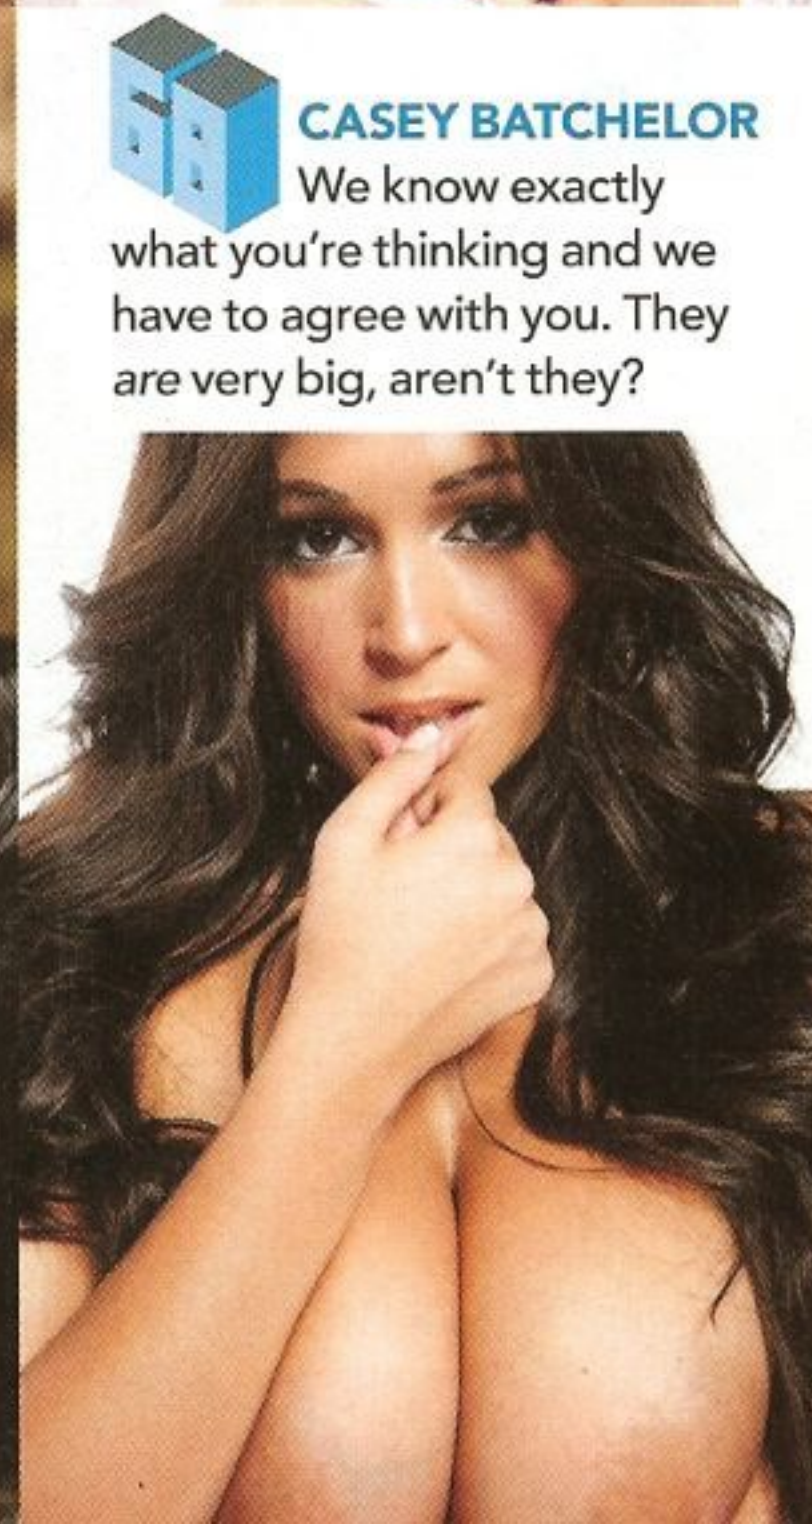

**RUBY JONES**  
Ruby says she wants to make her boobs even bigger – but a magnifying glass does the job just fine!

**JEN ENGLAND**  
Even Welsh, Scottish and Irish readers may have to concede they're England fans. She's a proper babe!

**NIKKALA STOTT**  
Nikkala is setting up her own agency to introduce sexy new models. Someone give that girl a medal!

**CASEY BATCHELOR**  
We know exactly what you're thinking and we have to agree with you. They are very big, aren't they?

**JADE ROGERS**  
Jade may not have mastered getting on a swivel chair, but her approach has certain things going for it.

**KIM ACOURT**

It wouldn't take a court to come to the conclusion that Kim here is an absolute stunner!

**GEMMA HILES**

Gem once appeared on Ant and Dec's *Saturday Night Takeaway*. We'd take her away any time!

**ANASTASIA HARRIS**

We know two Anastasias – this one and a Russian darts player. We like this one best.

**CARA BRETT**

The face of an angel and the body of... someone with implausibly big boobs. That's why we love Cara! ➡

## TOPLESS BABES

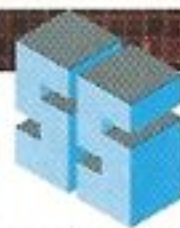

### CHELSEA WHITE

Carlo Ancelotti's boys won the Premier League title and FA Cup, and this Chelsea is another champion!

### JESSICA SCOTT

Jessica's from Newquay, the surfing capital of Britain. And her boobs have made big waves here.

### JENNIFER CLARK

One of the finest ladies to burst forth from *Big Brother*, Jen's just as happy bursting out of her bra.

### MEDDY FORD

Meddy was voted the fifth-hottest woman in Wales in 2009. We'd like to meet the four who beat her!

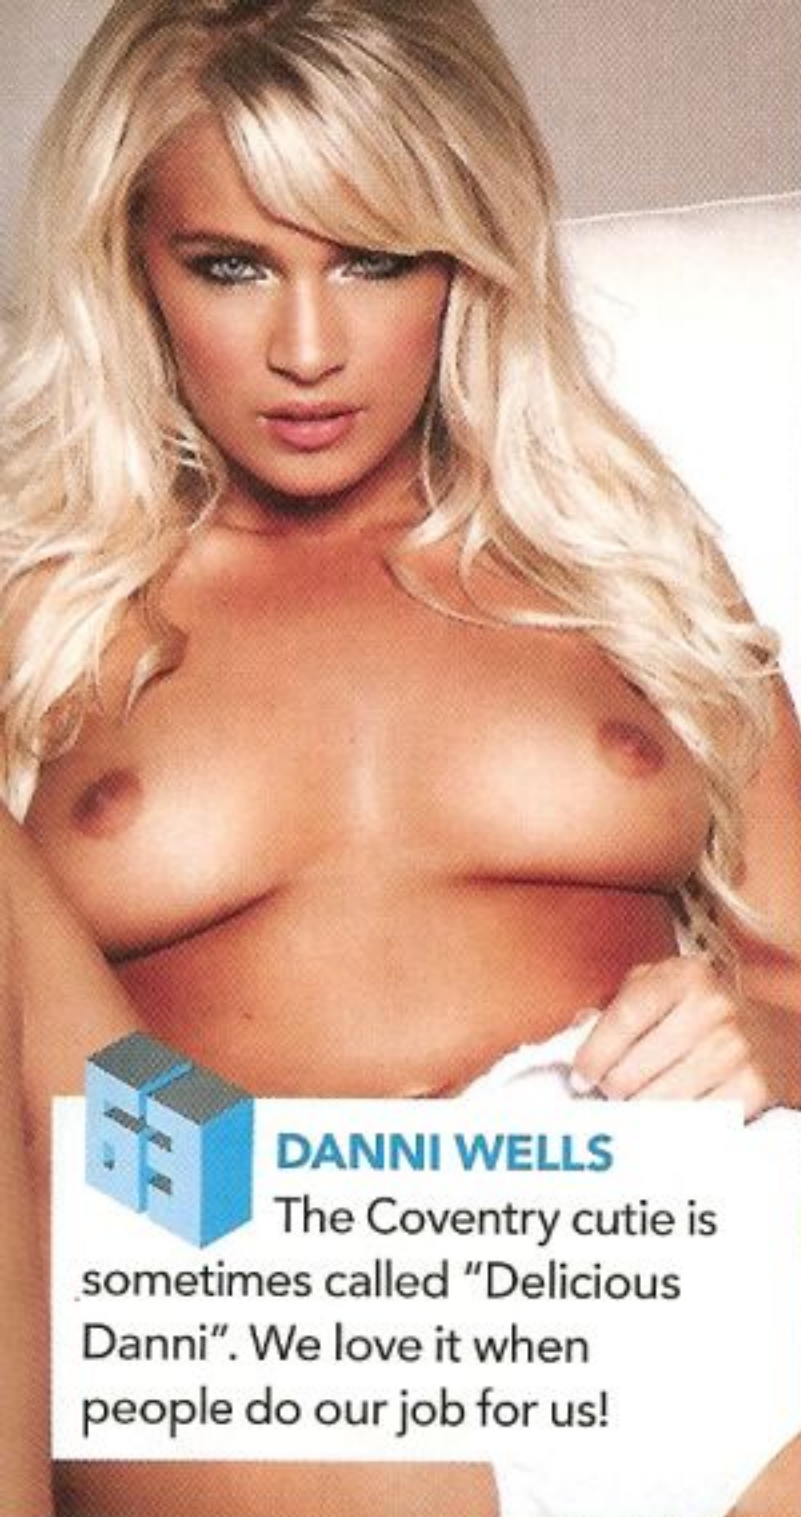

### STACI NOBLETT

In this pic, stunning Staci looks like she's in a garage. But her bodywork certainly doesn't need fixing!

**DANNI WELLS**

The Coventry cutie is sometimes called "Delicious Danni". We love it when people do our job for us!

**GEMMA NEWMAN**

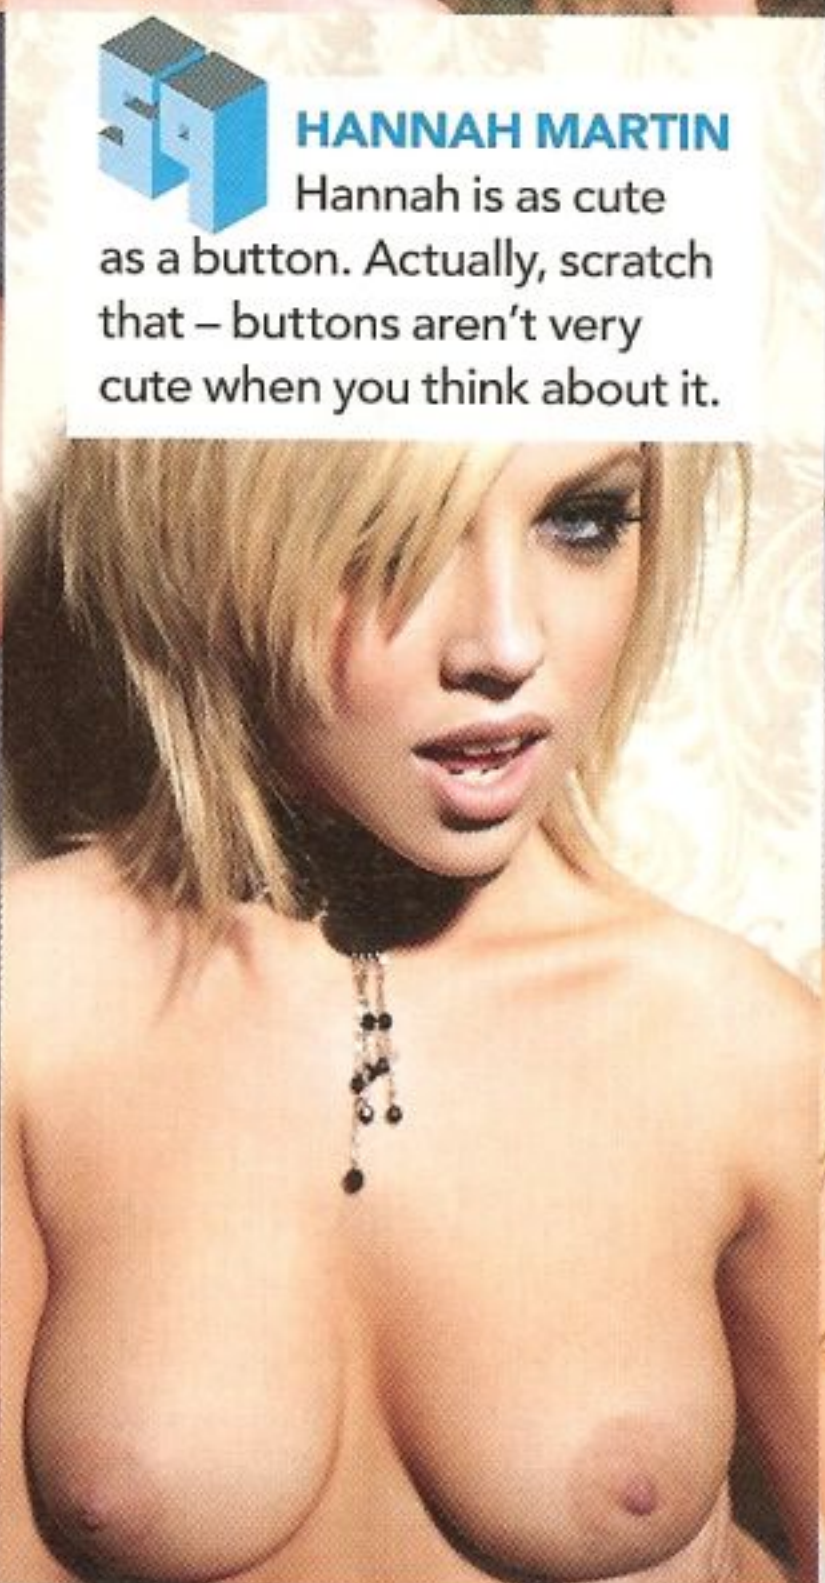

Gemma used to be blonde, now she's brunette. But one thing has remained constant – her being fit!

**HOLLY GIBBONS**

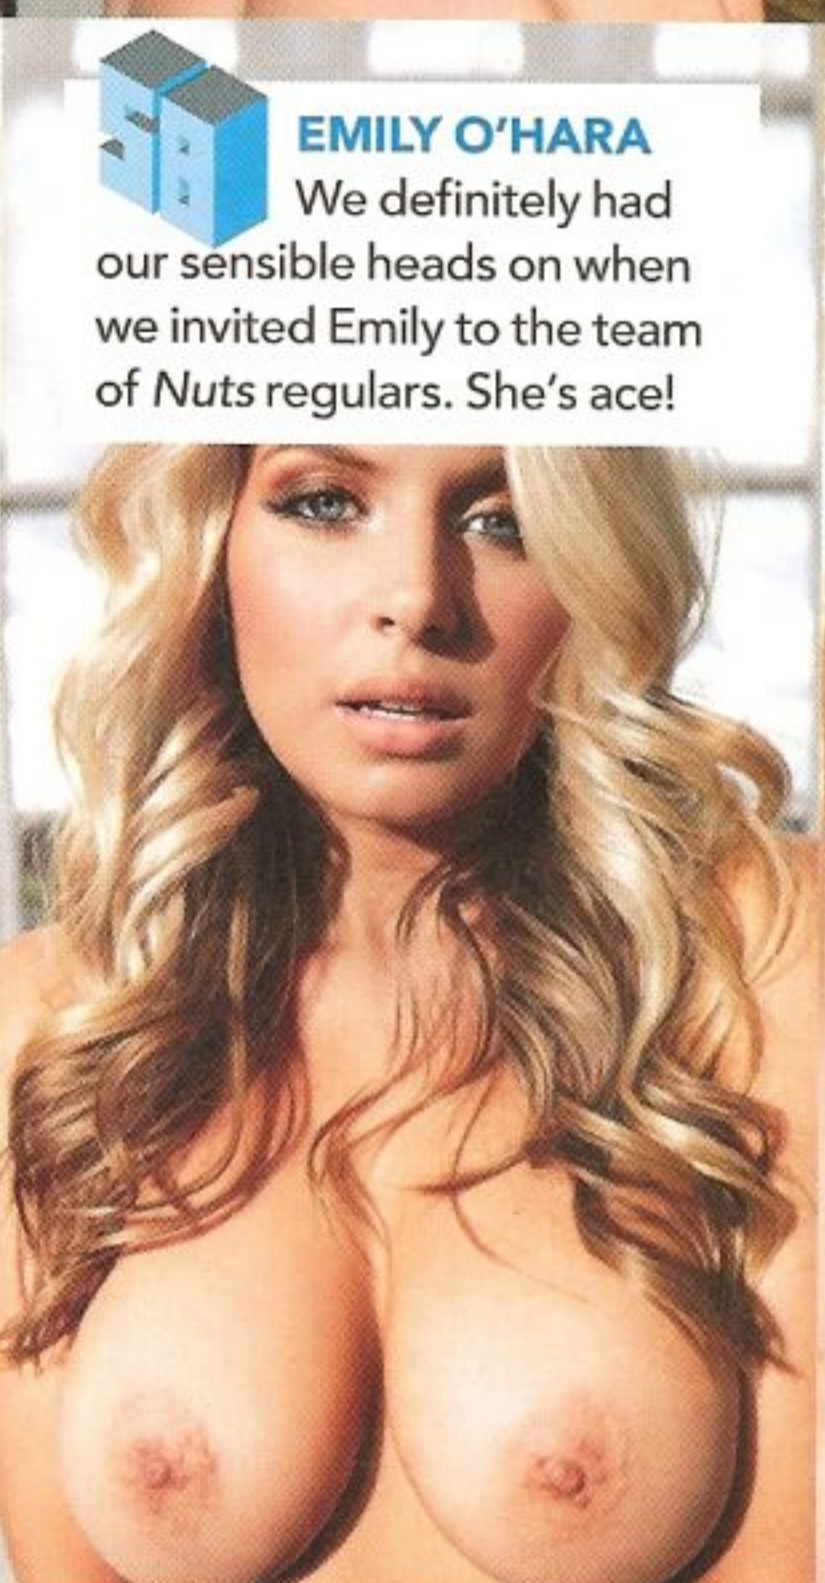

We'd love to monkey around with the lovely Ms Gibbons. (Sorry, it's nearly pub time and we're tired.)

**JODIE GASSON**

When she's not busy baring her boobs, Jodie likes a bit of ballet. She's far too sexy for that prancing about!

**HANNAH MARTIN**

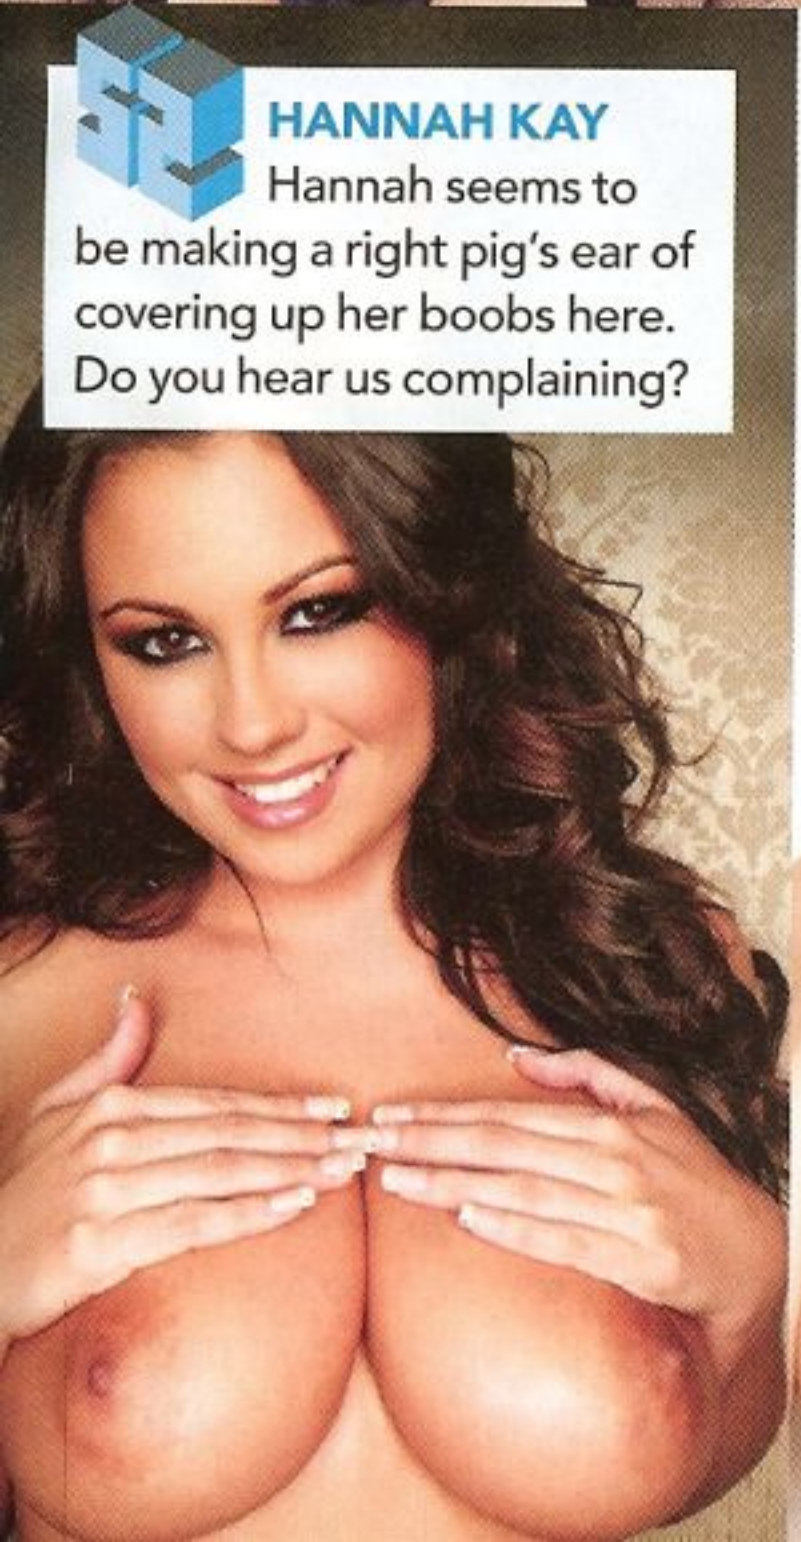

Hannah is as cute as a button. Actually, scratch that – buttons aren't very cute when you think about it.

**EMILY O'HARA**

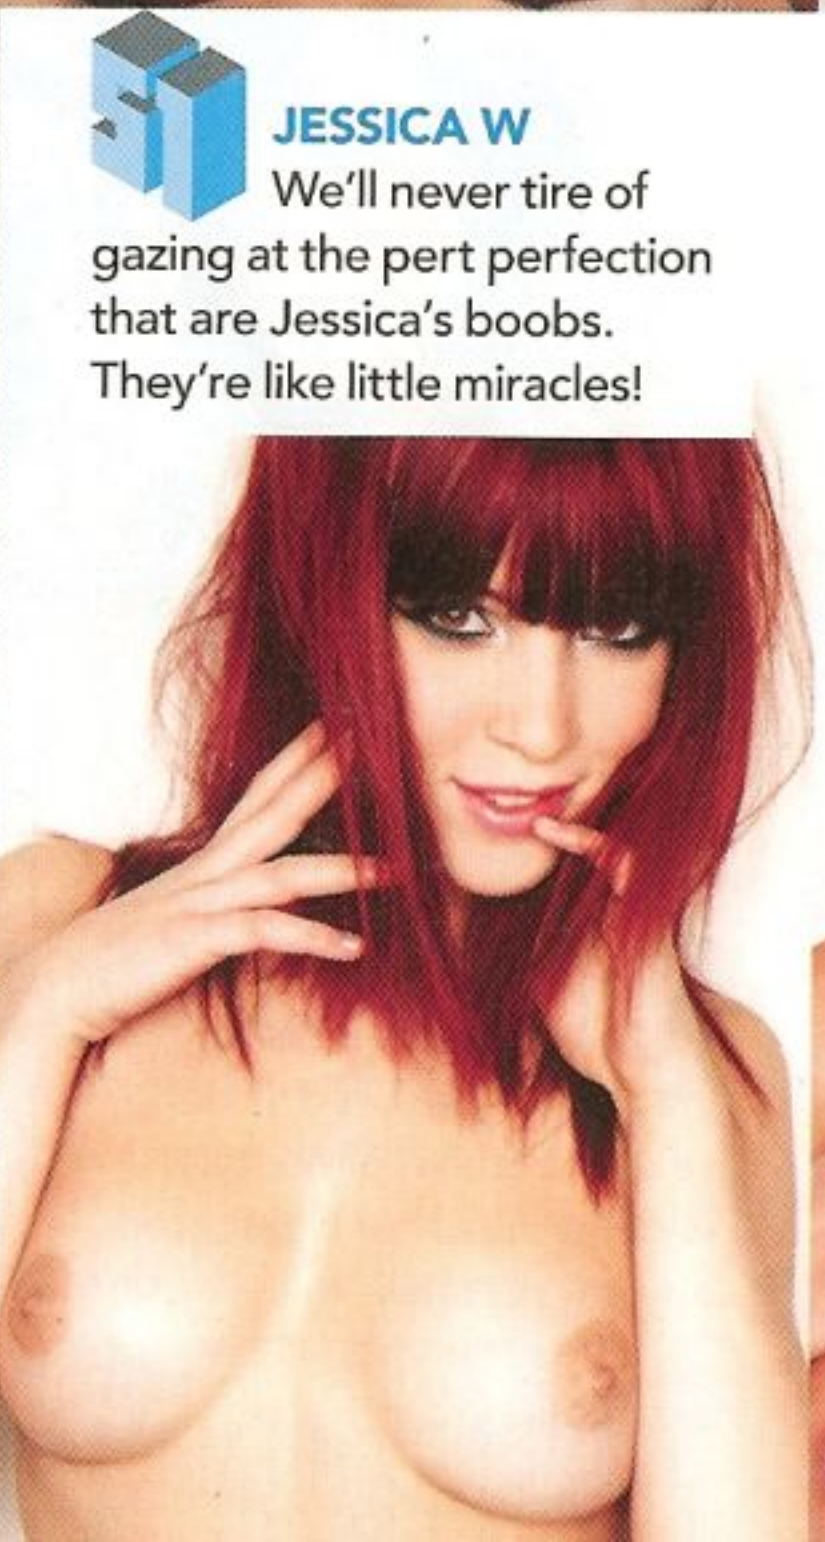

We definitely had our sensible heads on when we invited Emily to the team of Nuts regulars. She's ace!

**VIKKI BLOWS**

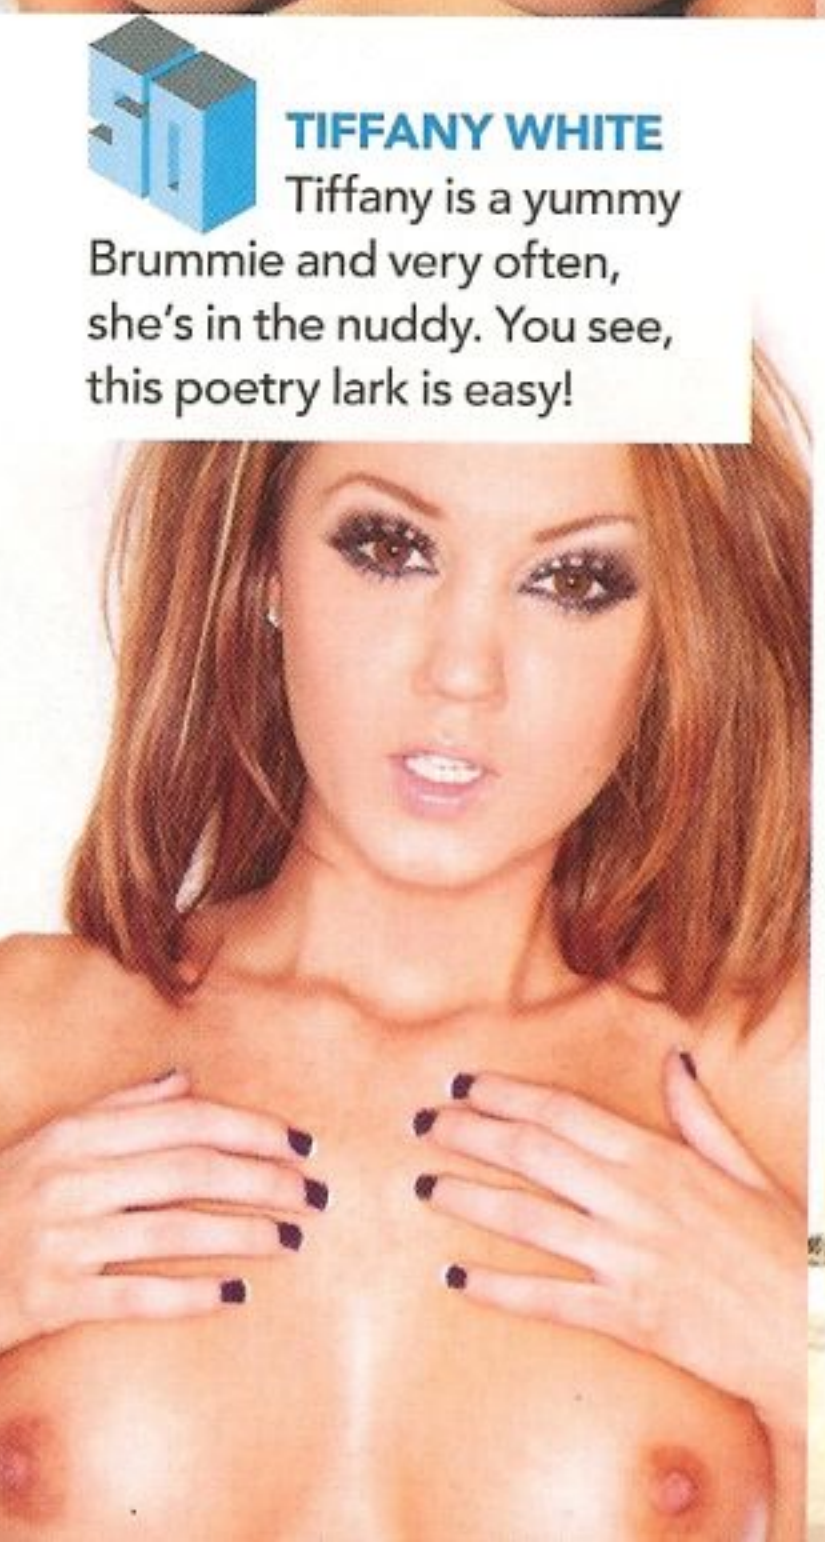

There's nothing more dedicated than a committed Vikki Blows fan – they totally adore her, and so do we!

**HANNAH KAY**

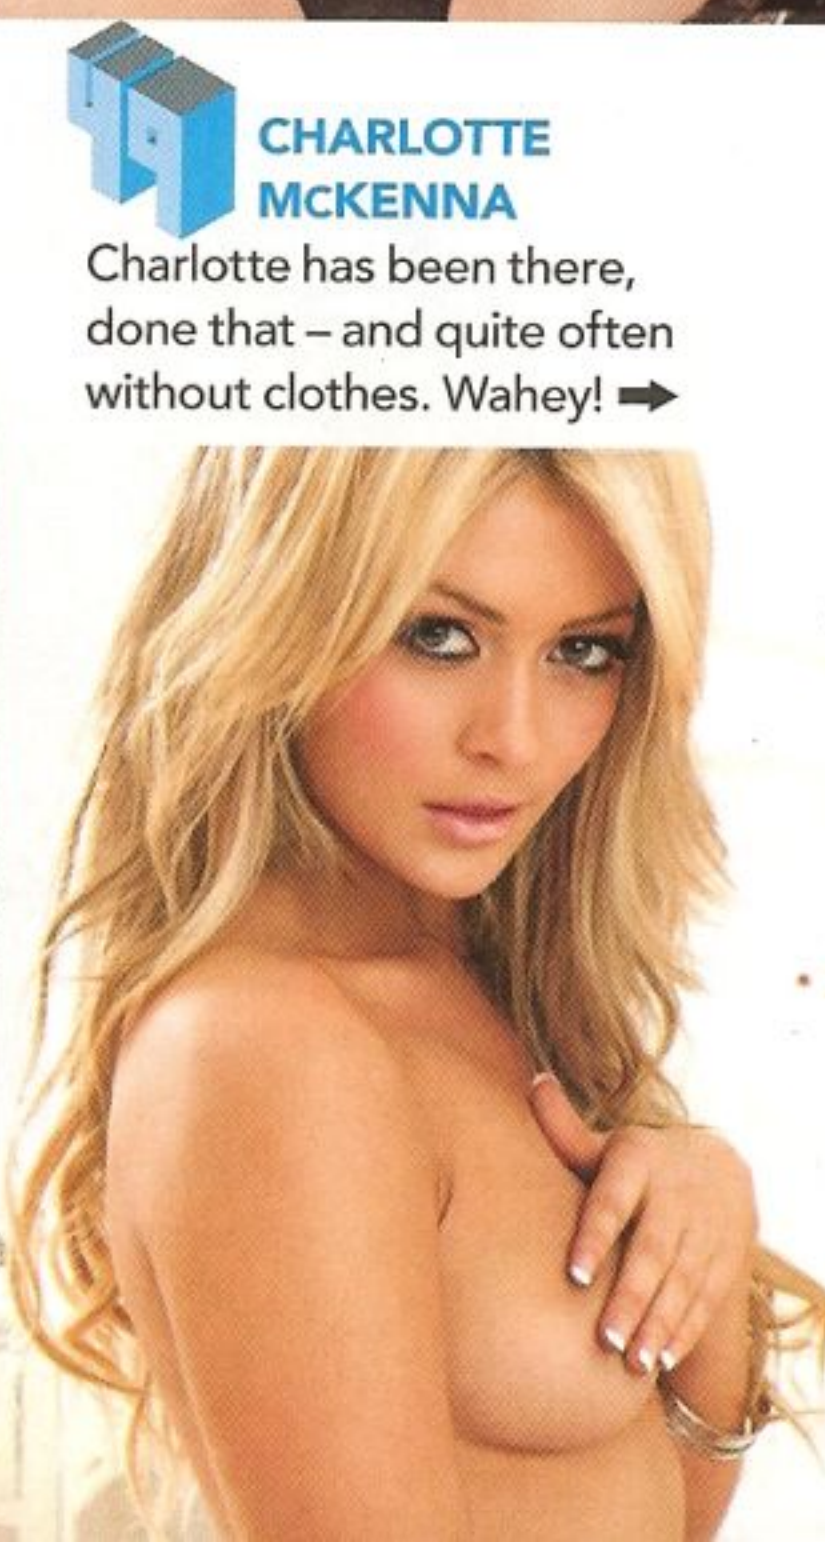

Hannah seems to be making a right pig's ear of covering up her boobs here. Do you hear us complaining?

**JESSICA W**

We'll never tire of gazing at the pert perfection that are Jessica's boobs. They're like little miracles!

**TIFFANY WHITE**

Tiffany is a yummy Brummie and very often, she's in the nuddy. You see, this poetry lark is easy!

**CHARLOTTE MCKENNA**

Charlotte has been there, done that – and quite often without clothes. Wahey! ➡

**GABRIELLE SAINT**

Her name sounds innocent, but the Czech beauty's 32G chest makes us think unsaintly thoughts!

**LUCY BRIGGS**

Large and pert, Lucy's boobs have got to be in the running for the "Best New Boobs Of The Year" award.

**ALEX SIM-WISE**

Raunchy redhead Alex's flame tresses match her extremely hot... well, just about everything really.

**STACEY MASSEY**

Stacey says the secret behind her smashing breasts is her mum's roasts. Shame ours goes straight to our gut!

**PORCHIA WATSON**

Just like a German motor, Porchia is sleek, sexy and will cost you a fortune to take out even for a weekend!

**ZOE STOLLERY**

In an alphabetical list, Zoe would come last. But she was at the front of the queue when God dished out boobs!

**SARAH BEEHAREE**

At just 5ft 3, little sexpot Sarah is almost as wide (around her chest area, anyway) as she is tall!

**SOPHIA CAHILL**

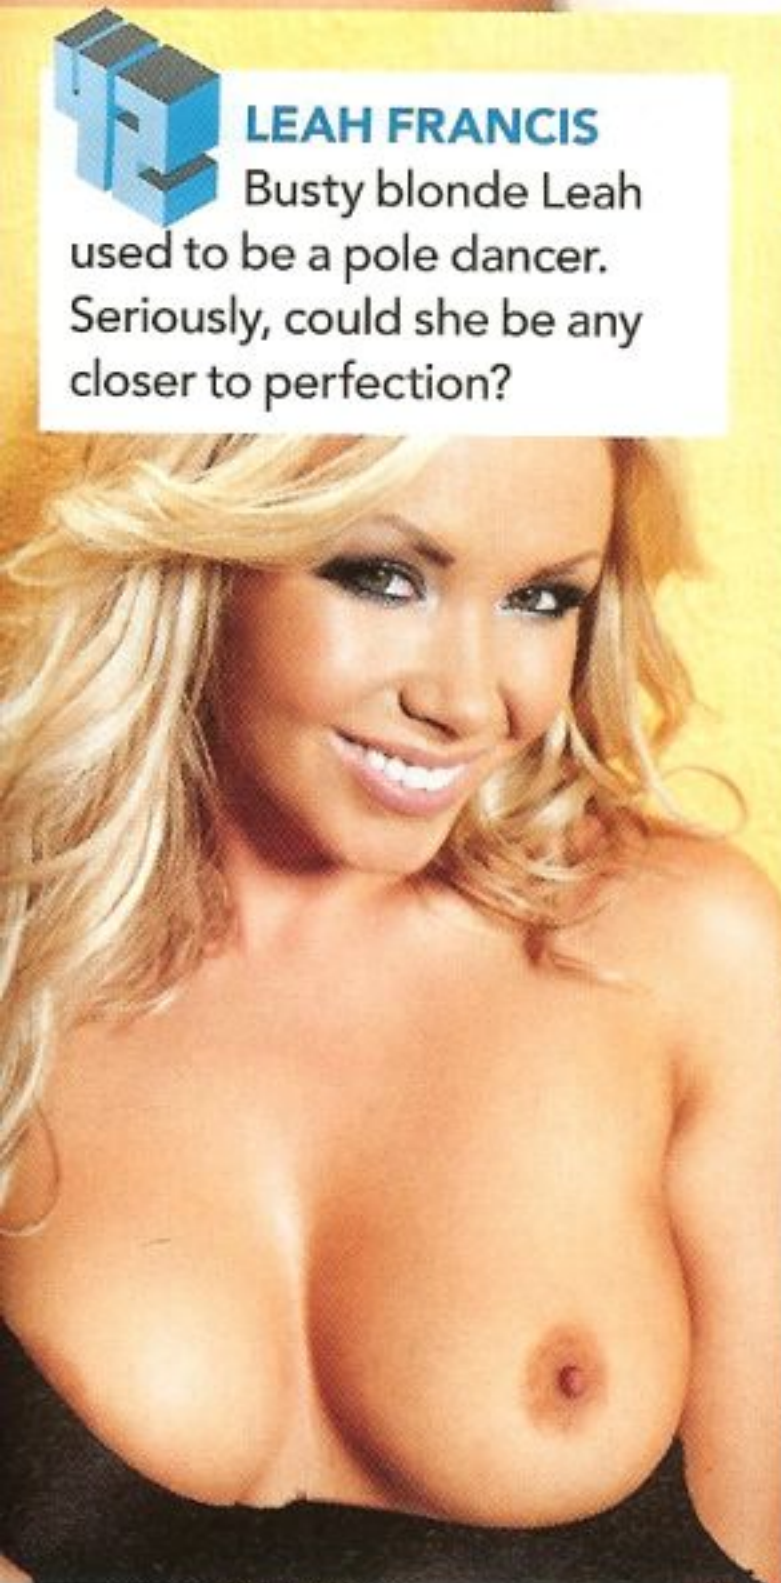

Sophia's been filming a music video with N-Dubz. We can't think what might've attracted them to her.

**DANIELLE LLOYD**

She may be shackled up with her footy fella now, but that doesn't mean Dani has stopped being stunning!

**LEAH FRANCIS**

Busty blonde Leah used to be a pole dancer. Seriously, could she be any closer to perfection?

**AMII GROVE**

Amii spells her name with two "i"s, and if you have two eyes, you'll see she's hot! See what we did there?

**DAISY WATTS**

Green pants? Blue top? Pink shoes? Daisy may not be colour coordinated, but does anybody care? ➡

## TOPLESS BABES

### KITTY LEA

Kitty's favourite new hobby is poker. Imagine trying to keep a straight face while sitting opposite her!

### MISSY

The lovely Missy hails from Scotland, which means those boobs probably never get to see the sun. Shame!

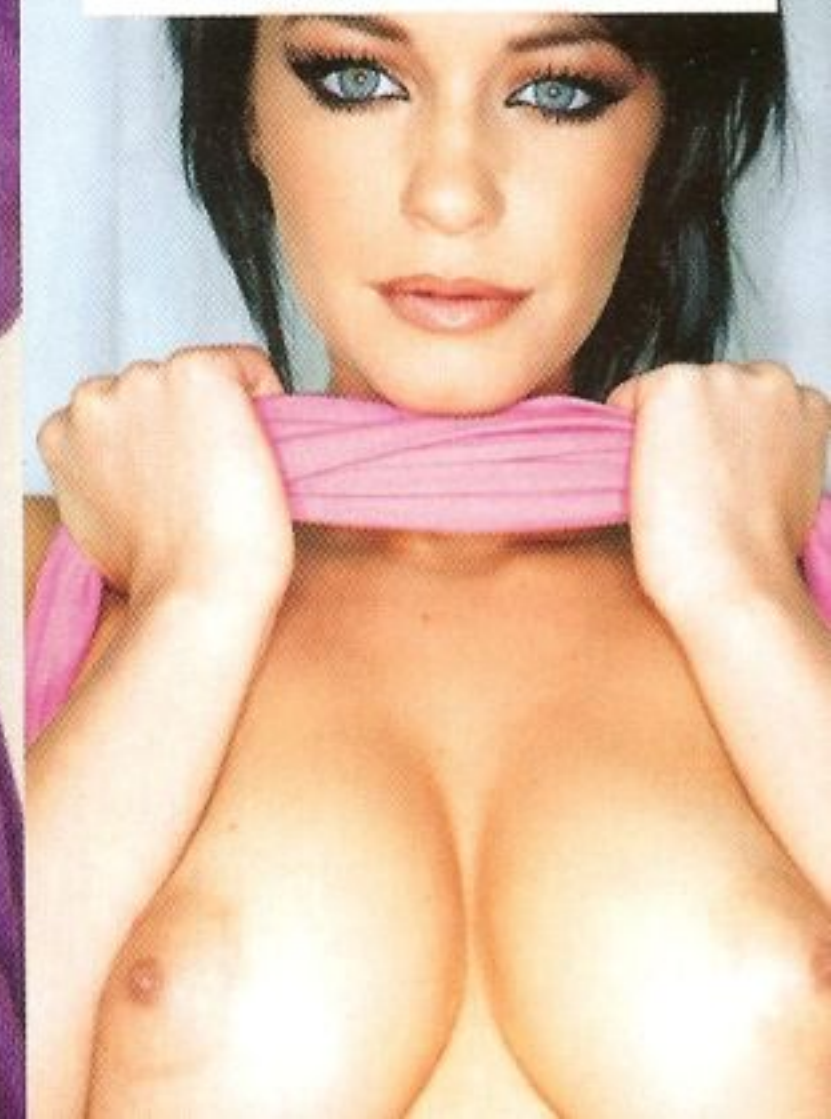

### ZOE MORRELL

Zoe certainly raises morale (Morrell – morale. Geddit?) in the *Nuts* office when she takes her top off.

### SAM KELLETT

Sam looks like she'd eat you for breakfast, lunch and dinner. Time to smother ourselves in ketchup then!

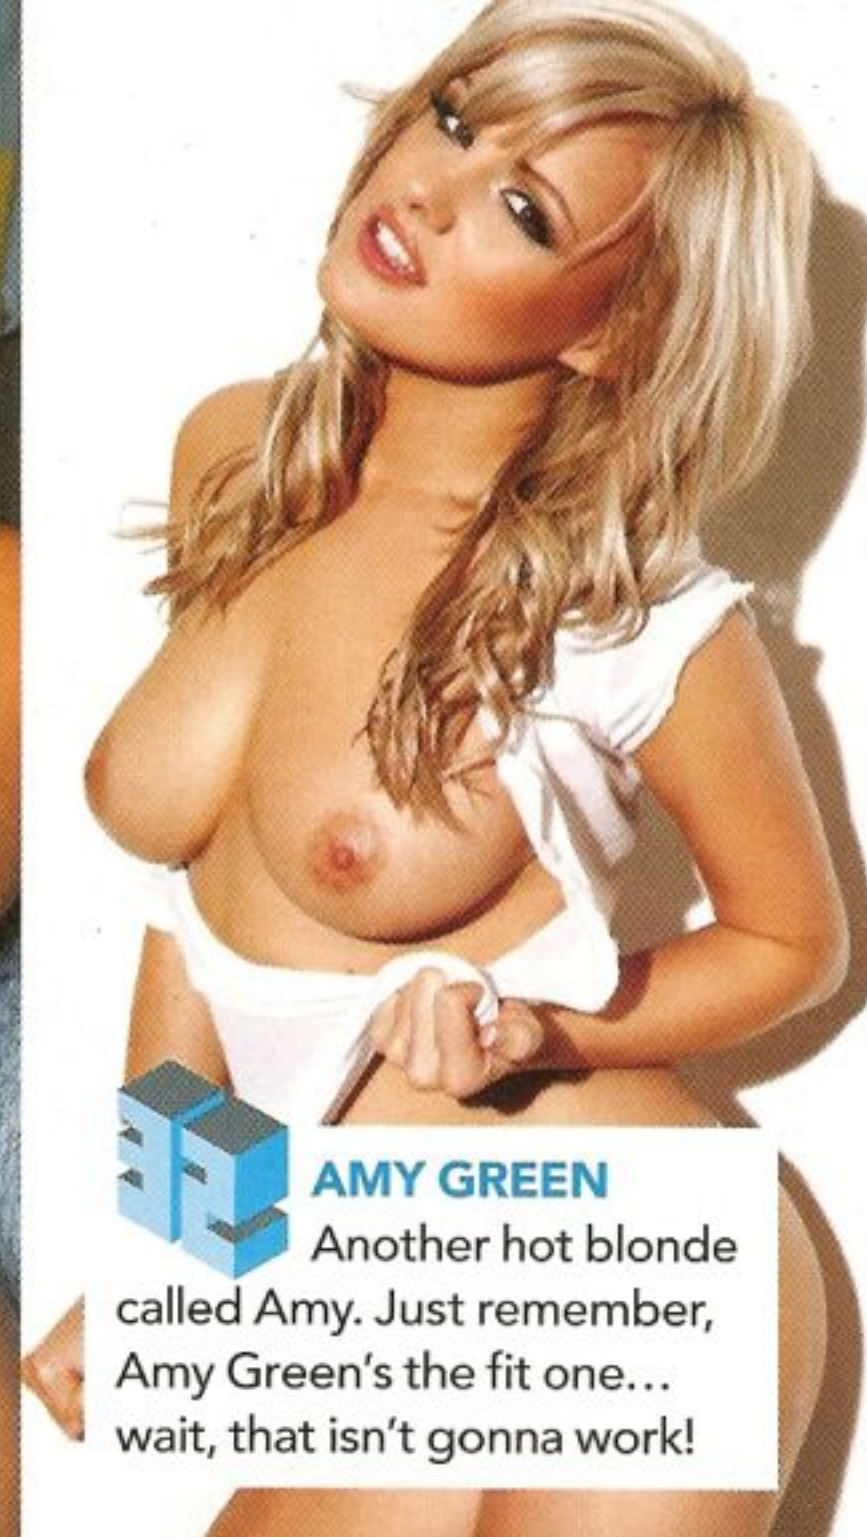

**SAM FAIERS**

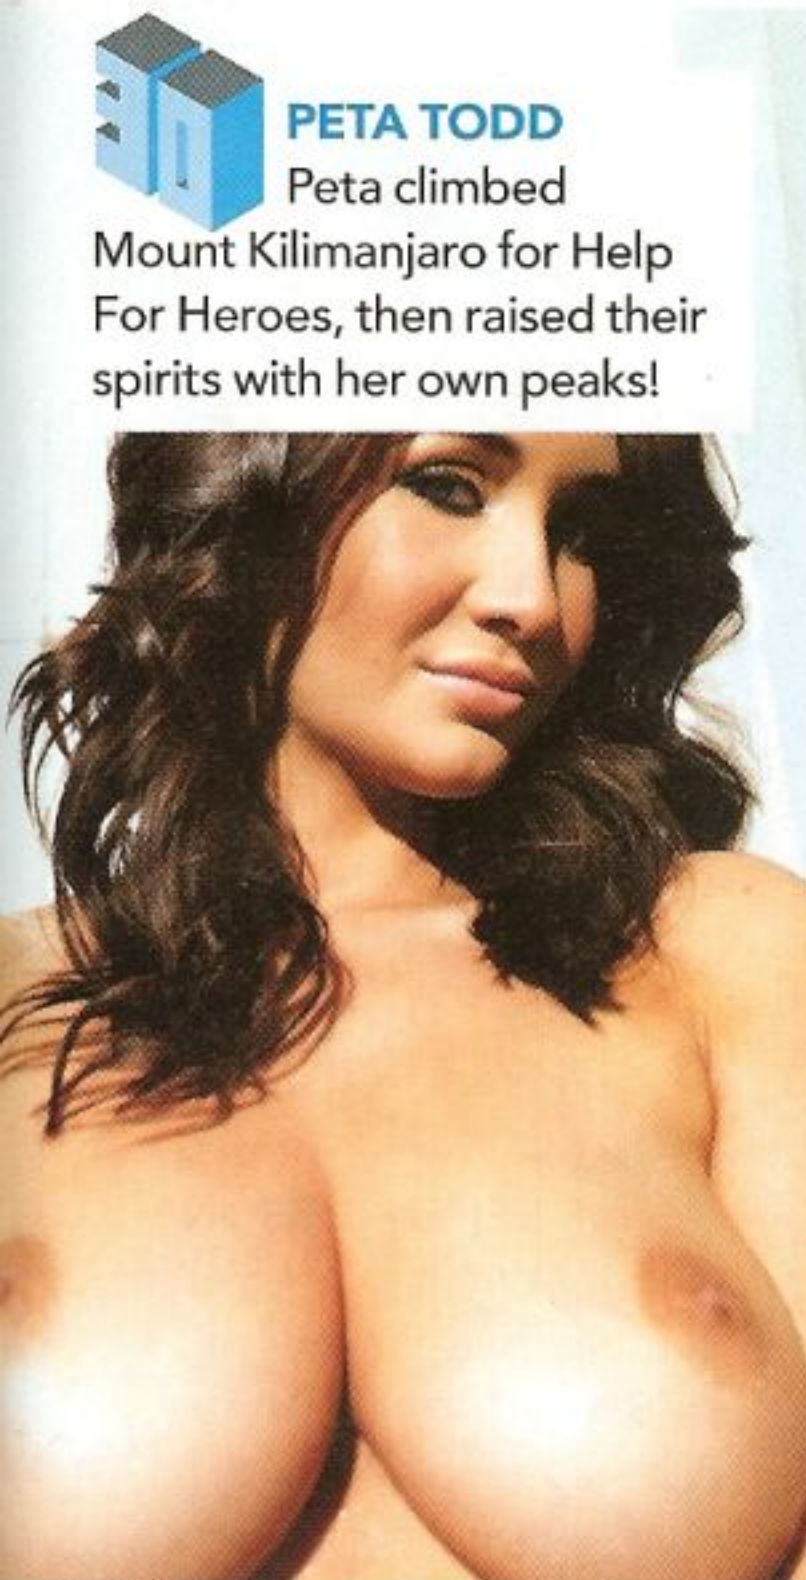

There's nothing quite like a flirtatious little flash – and they don't come much better than this fine example!

**KATIE GREEN**

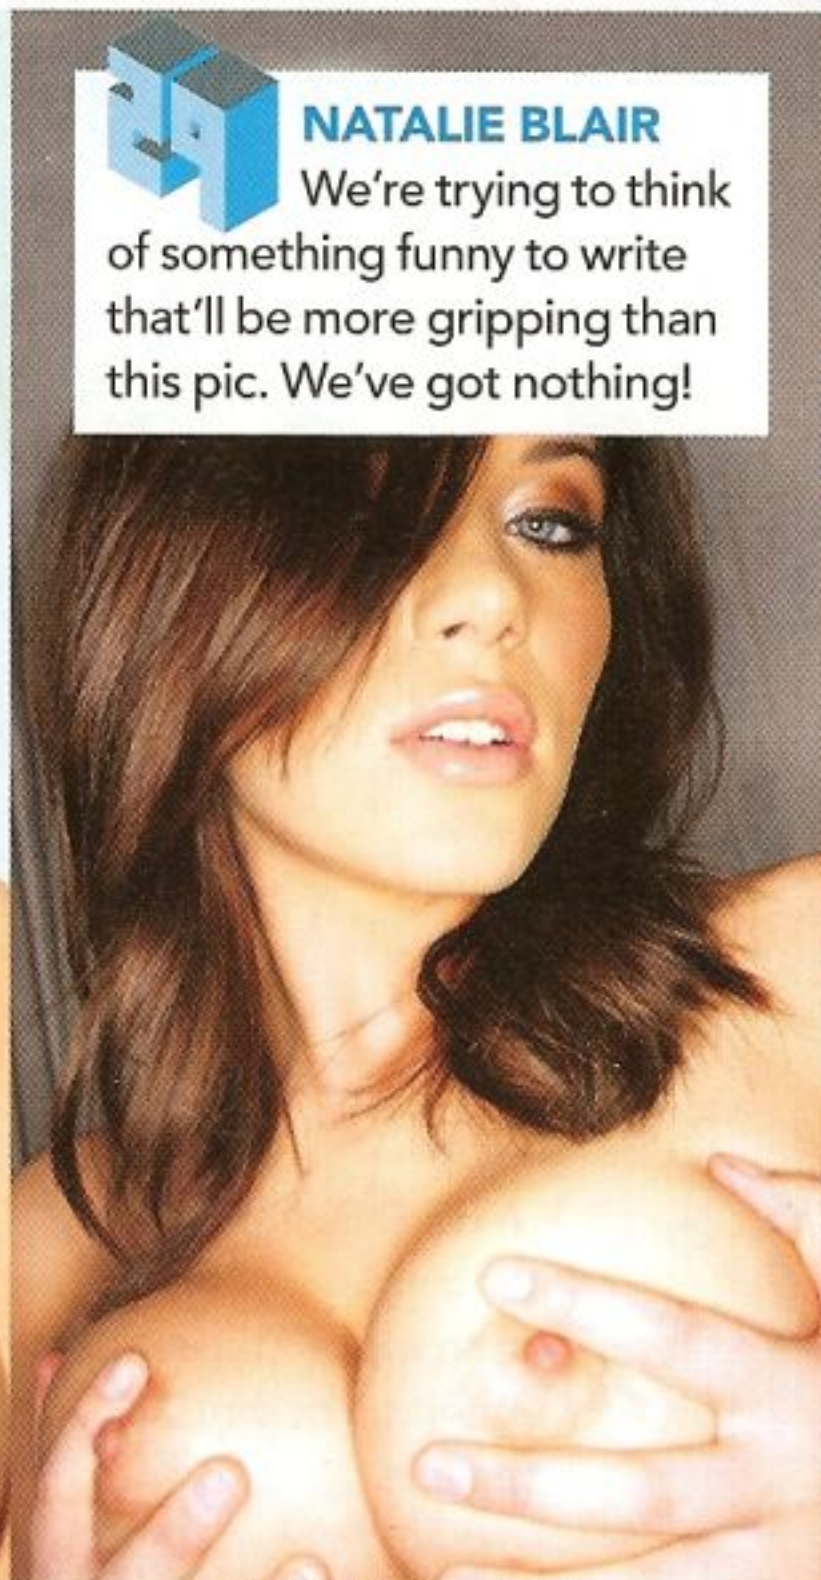

If we saw saucy Sussex babe Katie out with another man, we reckon we'd be green with envy!

**AMY GREEN**

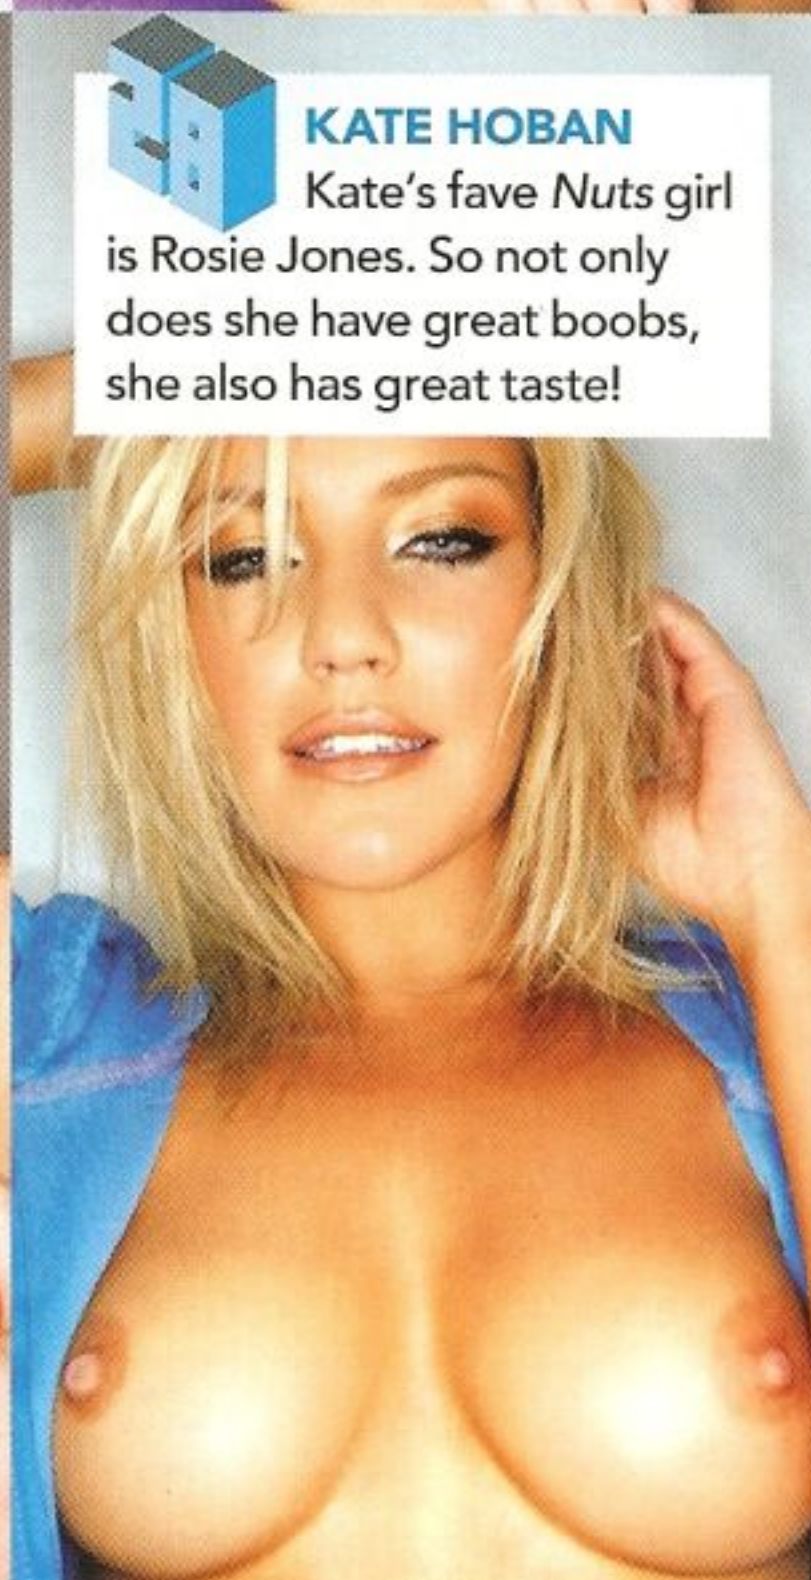

Another hot blonde called Amy. Just remember, Amy Green's the fit one... wait, that isn't gonna work!

**PETA TODD**

Peta climbed Mount Kilimanjaro for Help For Heroes, then raised their spirits with her own peaks!

**NATALIE BLAIR**

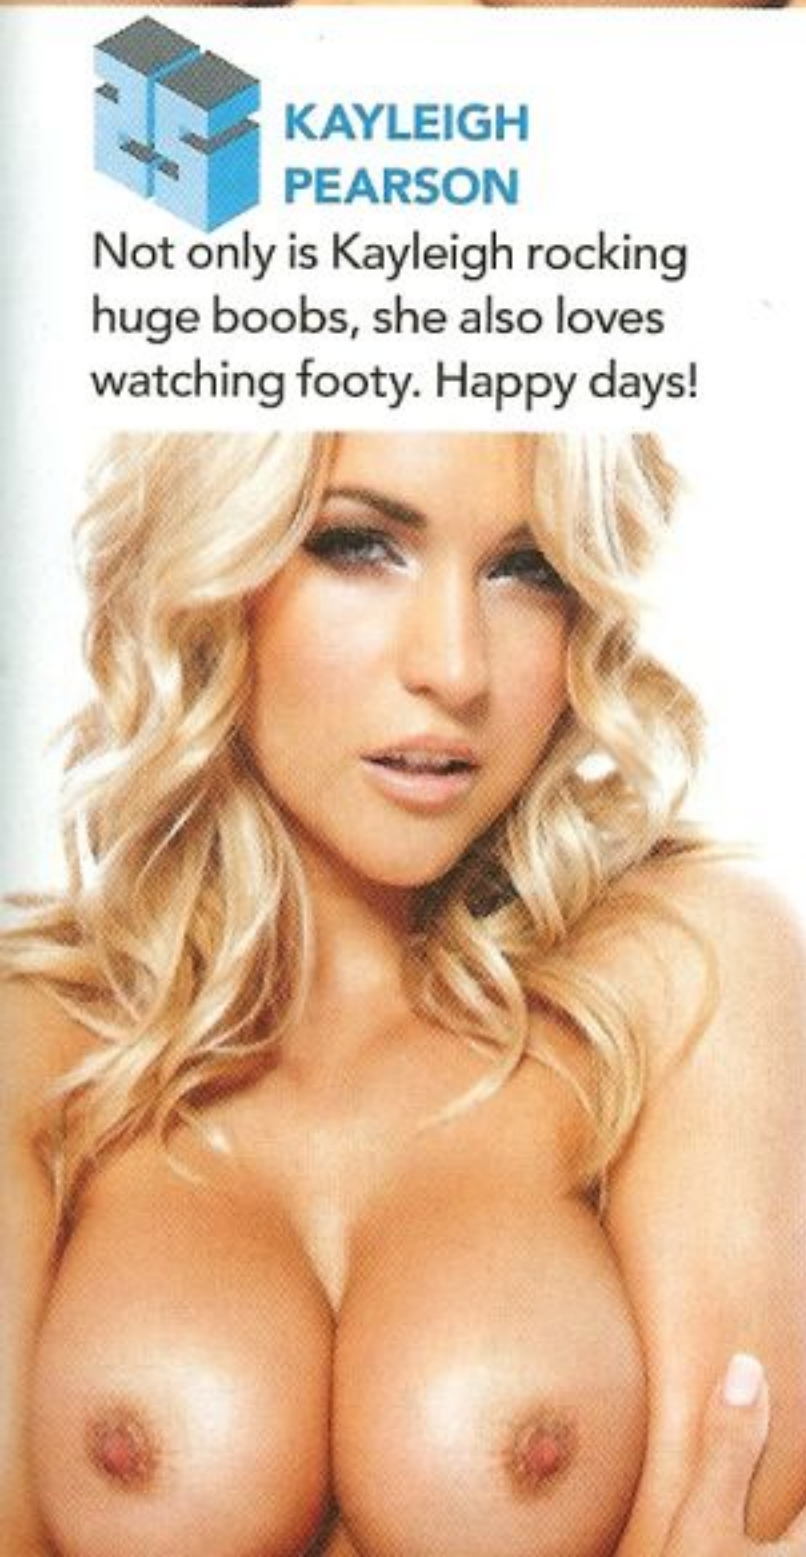

We're trying to think of something funny to write that'll be more gripping than this pic. We've got nothing!

**KATE HOBAN**

Kate's fave *Nuts* girl is Rosie Jones. So not only does she have great boobs, she also has great taste!

**LORA LEIGH**

Lora's initials are LL, which could also stand for "lovely lady", because that's exactly what she is.

**KAYLEIGH PEARSON**

Not only is Kayleigh rocking huge boobs, she also loves watching footy. Happy days!

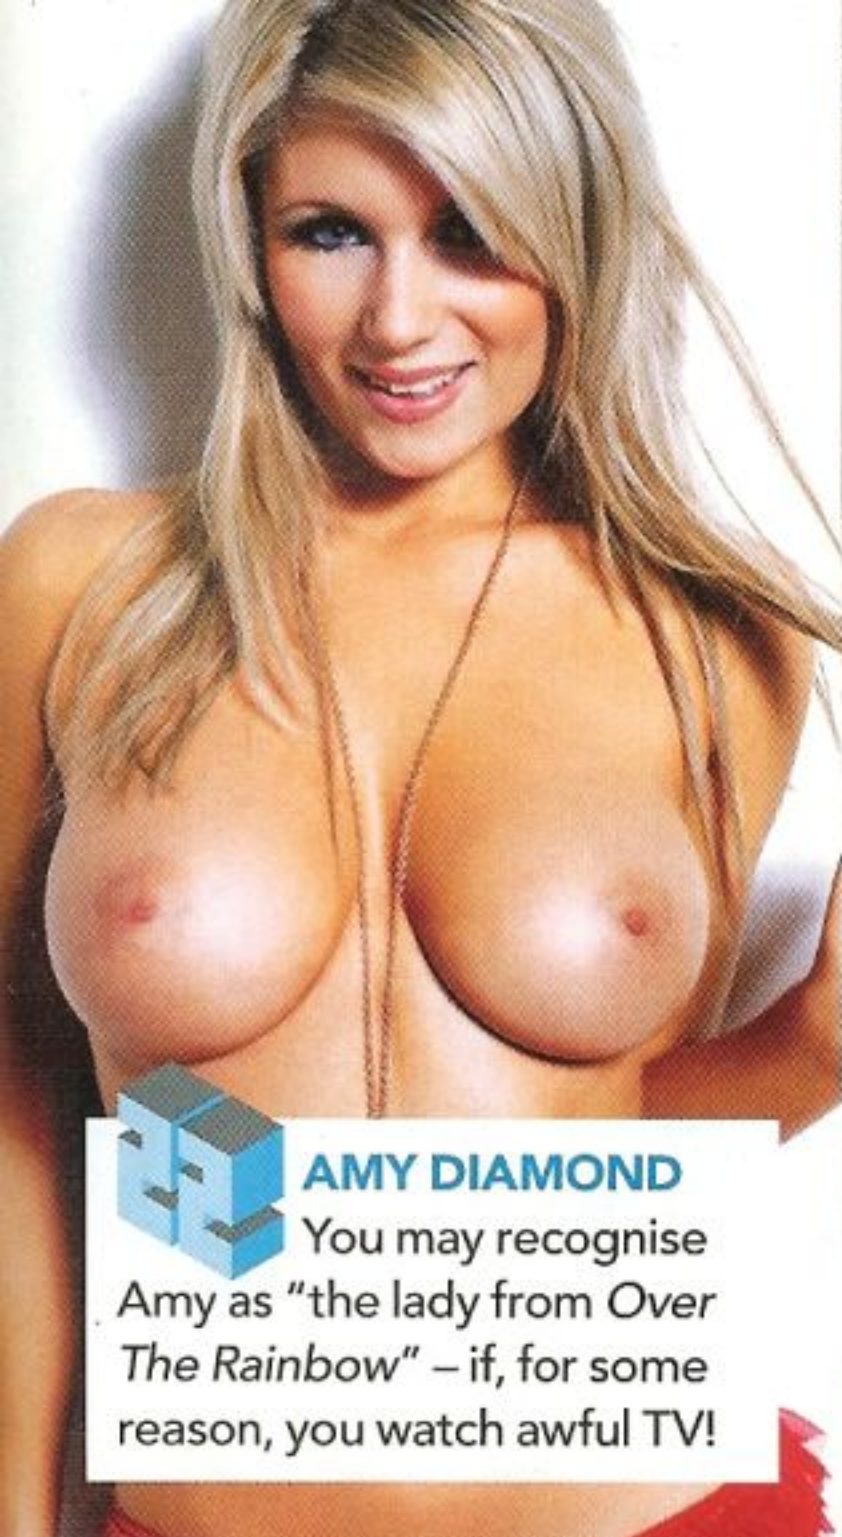

**GEMMA MASSEY**

Gemma's only a few letters away from having an entirely appropriate name. Her boobs are massive!

**ROSIE WHITEMAN**

If our other half was as hot as Rosie, we'd never go to the boozer again. Well, not quite so often anyway. ➡

**AMY DIAMOND**

You may recognise Amy as "the lady from *Over The Rainbow*" – if, for some reason, you watch awful TV!

**RACHAEL CORDINGLEY**

Rachel used to swim and run for Liverpool. Bet she gave herself a few black eyes!

**EMMA FRAIN**

With legs that never stop and boobs that keep growing, it's not hard to see why Ms Frain is a *Nuts* fave!

**SAMMIE PENNINGTON**

Sam has the sort of boobs you could get lost in. We're glad we don't have a satnav.

**INDIA REYNOLDS**

Another lovely who burst onto the scene thanks to *Nuts*. No, you don't have to applaud. Oh, go on then!

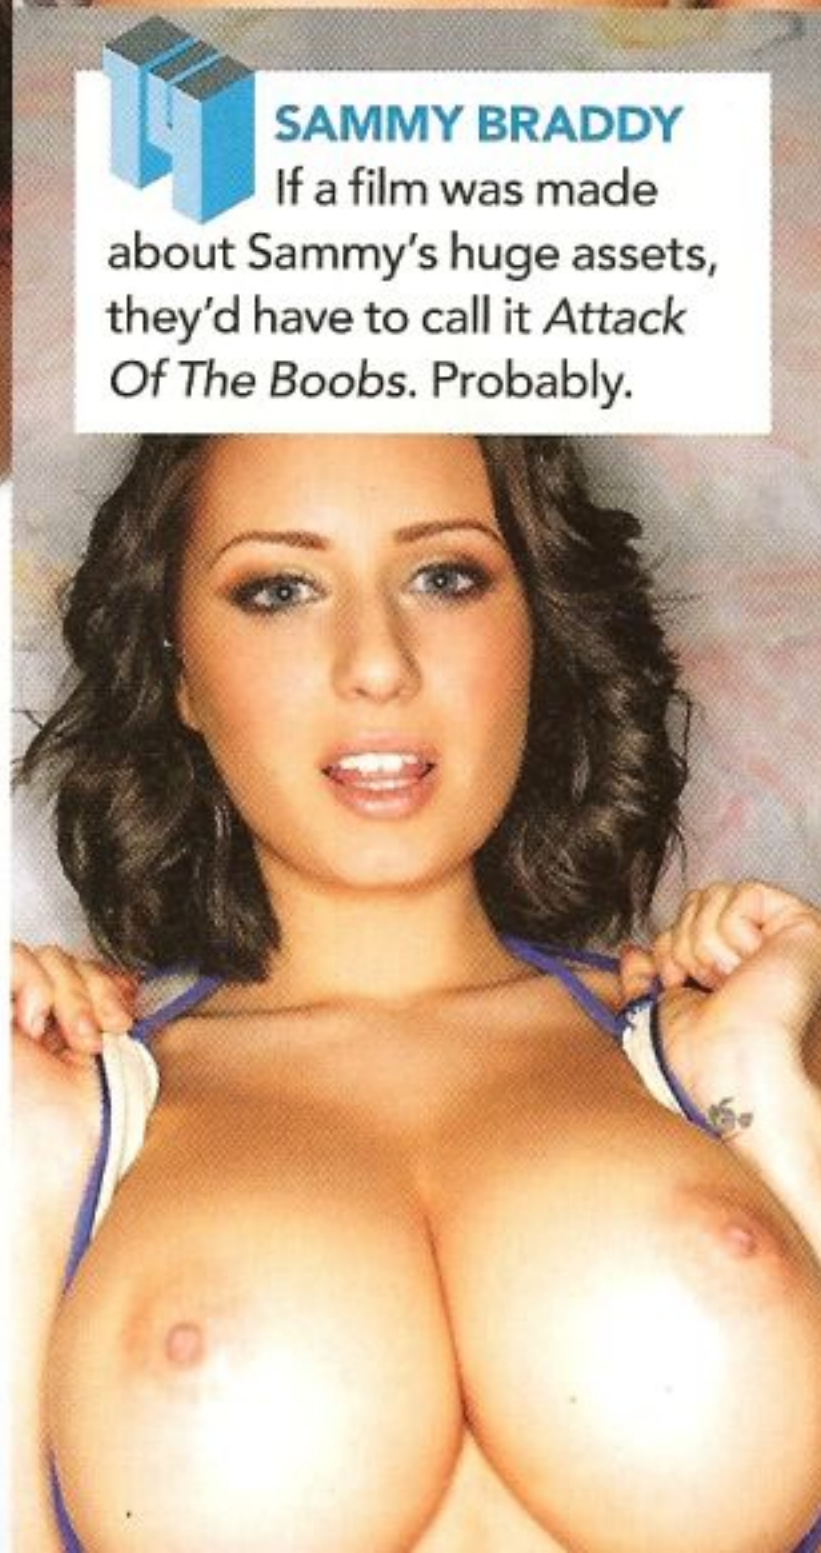

**KATIE DOWNES**

Standing at just 4ft 11 tall, Scouse sexpot Katie is the very definition of pint-sized perfection.

**SEREN GIBSON**

When typing Seren's surname, we almost spelt it "*Bigson*". We think they call that a Freudian slip.

**SAMMY BRADDY**

If a film was made about Sammy's huge assets, they'd have to call it *Attack Of The Boobs*. Probably.

**RHIAN SUGDEN**

Rhian is a master on the turntables, and she's welcome to come over and DJ at our next party!

**KAYLEE CARVER**

The Hull hotpot told us she'd love to dress up as Catwoman for a special superhero shoot. Miaow!

**SAM COOKE**

Sam was planning to study biochemistry at uni. Thankfully, the science world's loss is our gain!

**SOPHIE READE**

If there's one thing we never tire of at Nuts, it's looking at the lovely Sophie. And who could blame us?

**KELLY ANDREWS**

Lovely Kelly laughs in the face of gravity as her boobs remain as pert lying down as when she sits up! ➡

**09 SOPHIE HOWARD**  
One of Nuts' finest models never disappoints. The only way this could be better is if she was in 3D!

**04 LUCY PINDER**  
A day without a glimpse of Pinder's boobs is a day wasted. So what are you waiting for? Indulge!

**03 KEELEY HAZELL**  
Word has reached us that Keeley is having acting lessons in America. She's nailed acting sexy already!

**EMMA GLOVER**  
One of Nuts mag's in-house lovelies, Emma is proof that, if nothing else, we have great taste in ladies!

**06 LINDSEY STRUTT**  
Lindsey's one of those girls who gets hotter every time we see her. Must be this warmer weather.

**07 EVA**  
Poland has given us so much – meaty dumplings, strong vodka – but gorgeous Eva easily tops them all!

**05 HOLLY PEERS**  
The newest addition to Team Nuts, and what a delightful lady she is! "Hot Holly" is her office nickname.

**02 KATIE-MARIE CORK**  
Katie used to work at a theme park. We bet her "big tops" boosted the number of male visitors!

## ROSIE JONES

We'll never tire of gazing at Rosie's awesome boobs. And we suspect you all feel exactly the same!

SEXIEST  
TOPLESS  
BABE  
2010!

**C**ongratulations, Rosie – you've been voted the Sexiest Topless Babe of 2010! How does it feel? Woo-hoo! That's amazing! Loads of girls have nicer boobs than me. I can't believe I got more votes than all of them! But I'm happy. I owe it all to my boobies!

**What's so special about your boobs?** I don't know! I'm the worst person to ask this because I think everyone else's are nicer than mine. But I'm honoured because I was up against some very stiff boob competition!

**How will you retain your crown next year?** I might eat loads so they get even bigger! Hmm, but then I might get fat. Perhaps I'll just make sure I do even sexier *Nuts* shoots to win some votes.

**Do you have a message for all the people who voted for you?** Thank you! It's an amazing award because I was up against everyone. God, I even beat Keeley and she has the best boobs ever! ■
